4-H Dog Obedience by Sonja Galley

February is National Dog Training Education Month. Did you know Otsego county 4-H has an active dog program? Our spring session is scheduled to start March 31 (weather permitting). If you're interested in signing up for the spring session, contact Sonja Galley at 607.267.2011 or galley94@vt.edu.

This winter, in an effort to continue training our dogs at home, members of the dog program have been participating in monthly challenges. You can participate in our February Training Challenge, "Practicing the Long Down." One of the obedience exercises our dogs and 4-H members learn is the long down. At the beginning level, the long down lasts for three minutes. Three minutes may not seem like a long time, but when you're holding your breath hoping your dog won't move from the down it can seem like an eternity! However, if we build our dog's ability to stay in a down a few seconds at a time, they will eventually be able to confidently stay in a down for the entire three minutes.

For the month of February, work with getting your dog to stay in a "down" for as long as possible. Start with just a few seconds and slowly add duration as the dog successfully stays in the "down." To get some helpful tips on teaching a down, visit the AKC website at: <https://www.akc.org/expert-advice/training/teach-your-dog-to-lie-down/>

Send pictures of your dog practicing his/her down to Sonja at galley94@vt.edu to be entered in a prize drawing. All entries must be submitted by midnight, February 28, 2019. Contestants must be an Otsego County 4-H member to be eligible to win.

Sheep Youth Conservationist Program (YCP)

The Youth Conservationist Program (YCP) is an adult/youth mentoring program that enables young aspiring shepherds to experience the joys and responsibilities of raising and conserving heritage breeds of wool sheep that may not be common in their area of the United States. Breeders donate a yearling ewe and help the recipient establish their own flock. Donors award the ewes to their chosen recipients at the YCP Ceremony held annually at the Maryland Sheep and Wool festival held in May.

Youth applicants must:

- * be between 9 and 18-years old.
- * submit an application postmarked by April 1, 2019 that includes:
- * complete an essay which introduces the youth and their experience with animals. The essay should explain the youth's interest in sheep and answer the question: "Why I would like to help preserve a heritage breed of sheep".

Heritage breeds pledged for 2019 are Scottish Blackface, Finn, Blueface Leicester, Gotland, Icelandic, and a white Lincoln. Other anticipated breeds are: Hog Island, Jacob, Karakul, Leicester Longwool, and Shetland. ALL ESSAYS MUST BE MAILED on or BEFORE **April 1**. EMAILED ESSAYS WILL NOT BE ACCEPTED.

The YCP Application is available at the 4-H Office or go to <http://cceschoharie-otsego.org/events/2018/02/01/sheep-youth-conservationist-program>
