4-H Youth Development Mission Statement

The mission of Cornell Cooperative Extension 4-H Youth Development is to build youth adult partnerships to enable youth to become fully engaged in their learning process. New York State 4-H is a leader in enabling youth to develop the knowledge, skills, attitudes, and abilities to become productive citizens and is a catalyst for positive change to meet the needs of a diverse and changing society.

Through 4-H Youth Development, youth will:

- . Practice effective problem-solving and decision-making skills
- . Possess positive work attitudes and skills
- . Value diversity
- . Accept community and social responsibility
- . Contribute to positive relationships with families, peers and community
- . Demonstrate communication and leadership skills
- . Value lifelong learning

Cornell Cooperative Extension values

- . 4-H Youth development as the focus of all youth development activities
- . Partnerships for supporting, conducting and extending the program
- . Volunteerism as a cornerstone of the program
- . Diversity and the strengths it brings to Cornell Cooperative Extension programs

REMINDER...Enrollment DEADLINE

NEW 4-H Clubs & NEW 4-H Members

You MUST enroll on or before **May 31** to have full benefits of the 4-H program. After this date, a 4-H'er is not eligible to enter their 4-H exhibits at the Otsego County Fair.

NOTE this is for NEW members. Returning 4-H Members must be enrolled on or before December 31.

REMINDER....

June 1...DEADLINE for Horse Certificates non ownership/lease Certificates

Otsego County State Fair Teen Team travels to State Fair

4-H is committed to providing online and print educational resources to support kids and families while schools and clubs remain closed.

CCE prioritizes the health, safety, and well-being of the communities we serve.

Given the uncertainty surrounding COVID-19, and due to an abundance of caution the Otsego County 4-H Program is following the recommendation of the CCE Director and the mandate of Gov. Cuomo.

The Schoharie and Otsego Counties Association has canceled all in-person programming and meetings until May 15.

UPDATES will be communicated as soon as possible.

Be Safe, Be Well!

4-H Club News

Kids and Kritters Cloverbud & 4-H Club reported at our March meeting we learned about the differences and functions of dairy and meat goats. All the children handled and held the kids. We hope to have a meat goat clinic on May 16th at June Bakers farm. Megan Wilmot will be our instructor.

Garrattsville Greywolves, submitted by Ricky Pegg.

On Sunday, March First the Garattsville Greywolves 4H Club toured the Hanahan Farm on State Route 8 in Mount Upton NY. The purpose of the visit was to learn about the dairy industry and view a large dairy farm in operation. Hosts Matt and Kurt Hanahan led us on a tour of the main barn. An interesting observation from a 4Her was that the bedding was soft sand instead of traditional straw or sawdust. They explained the basics of housing, feeding, milking and general care of a dairy herd. The Hanahan farm has 1,800 cows and a rotary parlor that milks 72 cows at a time. Thank you Hanahan Farm for a fun and informative afternoon!

Hartwick 4-H Theatre Guild reported in February we had been rehearsing weekly for our upcoming production. We held a movie night on February 28th as a fundraiser for our group. On February 29th we designed sets for our upcoming production. We are also working on our costumes as well. In March we rehearsed our entire play for our upcoming production.

Due to COVID-19 we are postponing the play until further notice.

4-H Pen Pals!

What do 4-H Members do when they can't meet in person? They meet as 4-H Pen Pals! To beat the "at home COVID blues" 4-H Educator, April Leonard from Tioga County invited 4-H members in the South Central 4-H District to a 4-H Pen Pal Program. Counties in the South Central District are: Broome, Delaware, Chenango, Chemung, Cortland, Otsego, Schulyer, Tioga, and Tompkins.

4-H members will be paired up with someone in their age group who is in a different 4-H Club/County. One 4-H member will find out who their pen pal is and will write them a message. The new pen pal will find out who you are once they get your first message! Then, they can write back. The offer was made to

share any ideas of what to talk about with your pen pal. For example, telling about your 4-H project animal or about a 4-H fair exhibit project.

Participants can choose to use the old fashioned way and actually mail a letter or they can use email. The first day the program was offered, two Otsego County 4-H members, Summer Mayne, with the Otsdawa Bobcats 4-H Club and Lilly Cleaveland, with the Sunset Riders 4-H Club signed up.

The 4-H Pen Pal Program was so popular it was offered in twenty-one counties. One hundred ten (110) 4-H members signed up to be 4-H Pen Pals. Otsego County 4-H Pen Pals are:

Summer Mayne	Annaleen LaTour	Colin Erkson
Angel Mravlja	Montana LaTour	Vanessa Erkson
Lilly Cleaveland	Johnathan LaTour	Lucas Galesky
Trevor Decker	Gavin Underwood	
Taylor Decker	Henry Underwood	

We are looking forward to hearing about the new 4-H friendships!

Otsego County 4-H Community,

THANK YOU for helping me write the finale of a 25 year career with CCE 4-H! So many fond 4-H memories; Public Presentations, horse camp, dairy bowls & judging, auction animals, photo clinics, Officer Training, making healthy snacks, coding, designing robots, flying drones, theater productions, Discover 4-H at The Farmers' Museum, Junior Livestock Show, Ag on Parade, and of course the Otsego County & State Fairs. 4-H members growing up before my eyes!

While I am retiring during this unprecedented time of social distancing, my good wishes are with you. For now, I am going to say "**See you later**" and look forward to sharing a 4-H hug in the near future!

Patti

Welcome Teresa

It is a pleasure for me to be the new 4-H Educator in Otsego County. I look forward to connecting with 4-H members and families and continue to make the Otsego County 4-H program the best better. You can contact me at tla47@cornell.edu

4-H Otsego County

4-H Public Presentations - Public speaking is one of the most important life skills 4-H members learn in 4-H. To most people, the thought of preparing a speech and delivering it to an audience is terrifying. However, 4-H Youth Members throughout NYS, as well as the country, have an advantage in public speaking. 4-H members develop and practice their speaking and communication skills through a 4-H program called 4-H Public Presentations.

4-H Public Presentations teaches youth how to effectively communicate their thoughts and ideas. Youth that learn how to express their thoughts clearly to the people they interact with on the job, in school, or at home will be a more valued employee, a better student, and a more understood family member. 4-H alumni credit 4-H Public Presentations as the edge that places them above their peers in both college and professional careers.

Otsego County 4-H Program hosted two Saturdays; February 29 in Morris and March 7 in Milford for 4-H members to make their presentations. The participant lists follow.

Milford 4-H Public Presentations, March 7, 2020

CV-Springfield Apple/Cherry Blossoms 4-H Club

Colin Erkson – How to Make a Soda

4-H Mask Task & Bassett Healthcare

4-H families are invited to the 4-H Mask Task! Help us sew, collect and distribute fabric masks within the Bassett community – for use by patients, visitors and essential employees.

How to do it?

Gather these materials:

- 1. Preshrunk 100% white cotton of a tight weave preferred but colors and patterns acceptable.
 - Please avoid RED based material, as color may run when laundered
 - 1 yard creates approximately 5 masks
- 2. Elastic cord or 1/8" elastic ribbon, 1 yard creates approximately 2 masks
- 3. Thread
- 4. Sewing machine

Use this simple pattern for a 2-ply mask:

https://www.bassett.org/sites/default/files/2020-03/Fabric_Protective_Mask_Pattern_2-PLY_v3.pdf

Delivery

Completed protective fabric masks may be dropped off at the following Network Hospitals. Clearly marked collection bins are located outside the following locations:

- Cobleskill Regional Hospital
- A.O. Fox Hospital
- Little Falls Hospital
- O'Connor Hospital
- Bassett Medical Center Warehouse (26 Grove Street, Cooperstown, NY 13326).
Can also be mailed to this location.

PLEASE send us photos of 4-H members taking the 4-H Mask Task Challenge!!

More information from Bassett can be found their website:
<https://www.bassett.org/covid-19/protective-fabric-masks>

Bassett Healthcare Network

4-H Otsego County

Registration on or BEFORE **June 5**.

___ number of birds to be tested

___ number of youth for the clinic

The Livestock Conservancy ANNOUNCES...

Monica & Polly Kennedy – *Keep the Sheep Campaign* (\$1,969.90) Youth Award Winners!

Project Goal - In 2020 we will take our heritage sheep to the public in an effort to restart the **Ewes ‘n’ Friends 4-H Club** (with a focus on heritage sheep). If we can save time in herd management, we will have more time for promoting our breeds and exploring the creative and enjoyable elements of having sheep. We wish to use the funding for two projects - Perimeter fence for our sheep and promotional signs: 1 for Jacobs and 1 for Oxfords.

Our main need is for permanent perimeter fencing. Currently we spend most of our sheep time moving them around in portable fences. Perimeter fence would save us 10+ hours a week, in addition to our regular daily herd management chores, moving the different pens of sheep: rams, ewes, lambs, breeding groups. Every 3-6 days we change pastures and must set portable fencing. The moving of the portable fencing during the pasture season is exhausting and the portable fence is showing signs of its age. We are hoping to get another season out of it. Additionally, permanent perimeter fencing would give more flexibility with breeding pen options.

**CONGRATULATIONS to
4-H Members, Monica and Polly Kennedy!!!**

If you would like to help fund microgrants or other initiatives, please contact The Livestock Conservancy at 919.542.5704 or at info@livestockconservancy.org.

2020 South Central 4-H Hippology Results

COVID didn't beat the 2020 South Central 4-H Hippology Contest! The 2020 Hippology Contest was offered in written format, completed at home, within a 10-day time window. It was an honor system with no adult assistance, notes, books, cell phones, computers, or other electronic devices.

Julia Vunk, Otsego County 4-H member was on the winning team and placed 5th Individually.
CONGRATULATIONS Julia!!!

Junior Hippology

Teams:

5th - Delaware 2 - Hannah Velardi, Addison Yetto

4th - Chenango - Phiona Osborne, Sarina Bell

3rd - Delaware 1 - Neleh Brown, Ellie Grace, JP Ruff

2nd - Chemung - Emerson Swimaelar, Lily Rivers, Cheyenne VanGorden

1st - Otsego/Tioga - Julia Vunk, Tess and Fenton Bergfjord

Individuals:

5th - Julia Vunk, Otsego, 224

4th - Emerson Swimaelar, Chemung, 229

3rd - Fenton Bergfjord, Tioga, 230

2nd - Ellie Grace, Delaware, 250

1st - Tess Bergfjord, Tioga, 282

The Top 5 Juniors are invited to compete at State Fair, Sunday, August 30, 2020 (at this time).

SPECIAL thanks to Janet Pfromm, 4-H Educator in Chenango County, for hosting Julia and coordinating the District 4-H Hippology Contest!!!

4-H Earn-an-Animal

Robert Kennedy with Pontiac his 4-H project.

Jr. Livestock Show (JLS) – STAY tuned!

As of press time, Jr. Livestock Show is a **GO**. However, the CDC and Gov. Cuomo will make the final determination regarding the gathering of large groups. As soon as a determination is known, the information will be sent to all 4-H families via email. IF you do not have an email; please inform the 4-H Office ASAP.

There will **NOT** be a hard copy of the Jr. Livestock book that lists the classes. Each family will receive an email with a link to an on-line book and entry forms.

THANK YOU for your cooperation during these unprecedented times!

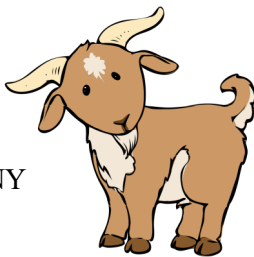

Direct your JLS questions to Meg Preston, m.preston@farmersmuseum.org and/or Jenn Collins, jl34@cornell.edu
