4-H Youth Development Mission Statement

The mission of Cornell Cooperative Extension 4-H Youth Development is to build youth-adult partnerships to enable youth to become fully engaged in their learning process. New York State 4-H is a leader in enabling youth to develop the knowledge, skills, attitudes, and abilities to become productive citizens and is a catalyst for positive change to meet the needs of a diverse and changing society.

Through 4-H Youth Development, youth will:

- . Practice effective problem-solving and decision-making skills
- . Possess positive work attitudes and skills
- . Value diversity
- . Accept community and social responsibility
- . Contribute to positive relationships with families, peers, and community
- . Demonstrate communication and leadership skills
- . Value lifelong learning

Cornell Cooperative Extension values:

- . 4-H Youth development as the focus of all youth development activities
- . Partnerships for supporting, conducting, and extending the program
- . Volunteerism as a cornerstone of the program

The Cobleskill office is open Monday through Friday, 8:30 a.m. to 4:30 p.m.

Cornell Cooperative Extension, in partnership with Cobleskill-Richmondville Central School and Schoharie Central School, provides afterschool programs that serve over 110 students in grades K-6. The program serves students at Schoharie Central (grades K-6) and Ryder and Radez Elementaries, (K-6).

The afterschool program offers 4-H projects, indoor/outdoor recreation, arts, crafts, games, homework helper, and a nutritious snack. In addition, cultural exposure, computer literacy, conflict resolution, and service learning enrich and instill life-long skills. 4-H Youth Development Programs use experiential, research-based educational opportunities to help youth develop independence, a sense of belonging, generosity, and mastery. For additional information, please contact After School Program Coordinator Susan Salisbury at sms248@cornell.edu, or 518-234-4304.

Watch here for updates and activities, 4-H youth are doing in the 4-H Afterschool Program

4-H Club News

The

Animal Aggies 4-H Club met on August 2nd to complete their new club banner which was entered into the fair as part of their club display in Progressland. After they finished making the banner, members enjoyed ice cream sundaes while several shared their 4-H Camp Shankitunk attendance experiences. Final plans for fair participation were also discussed.

Respectfully submitted,

~Jennifer Walrath- Co-Leader

Die Hard Dairy 4-H Club

Our club has been very busy this summer! Many of our members attended and showed their animals at the Cooperstown Livestock Show. It was a very fun show and our members all placed well in their classes. We also did many activities at the Schoharie Sunshine Fair and had a blast. Members showed their animals, participated in dairy and livestock judging, costume class, entered 4-H projects in Progressland, and had fun with friends. Lastly, a few members traveled to the NY State Fair to exhibit their animals, participate in competitions, and exhibit their projects in the 4-H building. All did a fantastic job! We are looking forward to reorganizing this month and planning our upcoming year!

Submitted By: Olivia VanEvera

Participants of the 2018 4-H Dog Fun Show were:
Ronald Cook, Rubie Cook, Michael Stoesser, Olivia VanEvera,
Brooke Haslum, Lexie Patchen, Mason Patchen, Westin Patchen, Evan
Clark, Ethan Rice.

4-H Upcoming Events

National 4-H Week provides a great opportunity to put our local 4-H in the spotlight! Each year clubs put up displays in our local communities as one of many ways to tell others about 4-H and to encourage them to consider getting involved in our Schoharie County 4-H Program. Use your creativity and imagination to share what you enjoy most about 4-H!

4-H Clubs are encouraged to celebrate National 4-H Week by creating a window or outside display in your community. [Email](#) a photo of your display by *October 15* and see your 4-H Club in the Schoharie County 4-H Newsletter.

Jump Start Your 4-H Experience **4-H Information Night**

4-H is gearing up for a year of fun, friends, and learning. The new 4-H year starts October 1. It's time for new 4-H clubs in New York State to start! The Schoharie County 4-H program is looking for adult volunteers and new members ages 5-19 to join/start a 4H club.

A 4-H information night will be held Wednesday, October 4, 6:30 p.m., at the CCE Extension Center.

Pre-registration is required.

Contact Teresa Adell at 518-234-4303 or email tla47@cornell.edu

4-H is for all
youth who
like action,
learning, and
FUN!

4-H Upcoming Events

FROM OUR FRIENDS AT TRACTOR SUPPLY CO.

Tractor Supply Co. is honored to support 4-H programs across the country. We would like to invite your 4-H Club to come by our store during the upcoming Paper Clover event. We know that when clubs are present in-store during the event, donations increase by more than 40%. Your club can get involved by setting up a table to sell Paper Clovers, help bag customer's purchases, display your animals, or even demonstrate projects.

If you would like to participate during Paper Clover, you can contact [Stacy Proper](#), store manager at 518-234-1967.

Remember, 100% of funds raised support 4-H! 90% stays in your state and 10% will go to National 4-H.

Fall Paper Clover Dates: October 3-14

Code Your World is built around the theme of using code as both a form of personal expression and a lens for understanding the world around you, integrating Google's proven CS First program with 4-H's research-based youth development model. The result is four engaging activities—one computer-based and three unplugged—that teach CS skills through fun topics like digital animation, artificial intelligence and dance.

SET YOUR SIGHTS ON THE DAIRY INDUSTRY! 4-H DAIRY VISIONS

October 2018-July 2019

Dairy Visions is a one-year program for enrolled 4-H Youth 14-16 years old in the Capital District who are interested in discovering exciting opportunities in the dairy industry. Dairy Visions exposes youth to local leaders in the dairy industry who serve as an example of the exciting future the dairy industry can provide.

The program will consist of a series of hands-on workshops and educational trips that expose young people to many facets of the dairy industry. In general, these activities will take place during 7 or 8 weekends between October 2018 and July 2019.

Dairy Visions is designed for students who enjoy meeting new people, are eager to engage in teamwork and leadership roles, and thrive in an educational setting that involves hands-on activities and travel.

One-year program for enrolled 4-H Youth 14-16 years old in the Capital District.

Exposes youth to people who are excited about the dairy industry.

Fosters enthusiasm and a positive attitude toward further educational opportunities in the dairy industry.

Demonstrates the diversity of the dairy management techniques that exist in the Northeast through hands-on activities and tours.

KNOW YOUR TREES

Insectapalooza 2018

Save the Date! This year's event will be held on Saturday, **October 20**, from 9AM to 3PM at Comstock Hall. Come see the Bizarre, Bad, and Beneficial of the insect world.

The annual, one-day insect fair is hosted by the Department of Entomology at Cornell University. Insectapalooza is an interactive, hands-on experience that features hundreds of live insects, spiders, and other fascinating arthropods. Popular favorites include the live Butterfly Room and Arthropod Zoo.

The cost of entry is:
\$3 per person, children 3 yrs. and under are free.

Insectapalooza is fun and educational for children, teens, and adults of all ages. The annual Insect Fair reflects the countless wonderful ways that insects interact with people and impact our lives -- for better or for worse.

4-H Program Committees

The purpose of the 4-H program committees is to review and analyze the needs of youth and design and/or identify the educational resources to meet these needs.

Committees will meet, four times per year.

The committee's include:

Dairy, Horse, Dog, Livestock, Rabbit & Poultry, Consumer Science, Science & Technology, and Environment Science.

The next 4-H Program Committee meeting will be October 30

All meetings will be at the CCE Extension Center at 6:30 p.m.

Please [contact the 4-H office](#) if you would like to join a committee.

CONGRATULATIONS TO 4-H GRADUATES 2018

Best Wishes to the following 4-H graduate!!!

Kathryn Santoro- My 4-H career began when I was 7, and I showed my chickens with Jacob every year at the fair and Eastern NY State Poultry Association's Fall show in September up until this point in time. Every year being friendly competition for grand champion and reserve grand champion showman. I showed my chickens at the State Fair and placed second in Showmanship. Eleven years of showing birds and I still love it.

When I was ten, I tired my first goat show at the Farmers' Museum Jr Livestock Show in Cooperstown, and decided to lease a goat kid from the Kelley's for the fair. Her name was Muffin. I remember placing well in my class for 4-H as a novice.

I began showing horses 5 years ago in 2014, which has taught me more about myself than anything. Finally this year, my last year in 4-H, I had the opportunity to show my German Shepherd in the dog show. My 4-H career has been more than showing, it has been growing as a person and helping others.

My final year meant more to me than any other year in the past. I have become so involved and attached to my 4-H club Happy Hoofsters. I will greatly miss all of the girls and boys. Shelby Coons created a drill team that I am captain of and that team is my pride and joy. Watching the girls in my group grow as riders and look up to me not only as a role model, but an older sister figure has been amazing.

My final horse show was taxing on me emotionally, mentally and physically but I didn't quit. Quitting at that point would have been a let down to myself, my trainer and most of all my girls.

So take it from me, although you may not be into horses or chickens, there will always be the younger kids who look up to you and want to be like you.

Showing never gets easier, every year brings a different challenge, so persevere. Don't give up. Pass on your knowledge. Take the minute or two to answer a question a youngster has or help them before a show, because those moments are the ones that count the most. Those are the moments that will keep 4-H alive and thriving with new kids wanting to join every year.

Visit the **New England Aquarium** for an entertaining and educational experience!

Visitors can watch northern fur seals at play while they soak in sweeping views of Boston Harbor in the New Balance Foundation Marine Mammal Center.

Reach out and gently touch cownose rays, Atlantic rays, and epaulette sharks as they swim through The Trust Family Foundation Shark and Ray Touch Tank, then dive into the Science of Sharks at our exhibit featuring shark species from around the world. Meet three different species of penguins and pet a sea star, meet a lobster, or cradle a hermit crab at the Edge of the Sea's tidepool touch tank. Wind your way along the four-story Giant Ocean Tank and be mesmerized by the 200,000-gallon Caribbean coral reef exhibit teeming with more than 1,000 marine animals. From the Atlantic harbor seal exhibit to the Olympic Coast Exhibit to the Yawkey Coral Reef Center, the Aquarium has something to entertain visitors of all ages.
