**4-H Youth Development Mission Statement**

The mission of Cornell Cooperative Extension 4-H Youth Development is to build youth-adult partnerships to enable youth to become fully engaged in their learning process. New York State 4-H is a leader in enabling youth to develop the knowledge, skills, attitudes, and abilities to become productive citizens and is a catalyst for positive change to meet the needs of a diverse and changing society.

**Through 4-H Youth Development, youth will:**

- . Practice effective problem-solving and decision-making skills
- . Possess positive work attitudes and skills
- . Value diversity
- . Accept community and social responsibility
- . Contribute to positive relationships with families, peers, and community
- . Demonstrate communication and leadership skills
- . Value lifelong learning

**Cornell Cooperative Extension values:**

- . 4-H Youth development as the focus of all youth development activities
- . Partnerships for supporting, conducting, and extending the program
- . Volunteerism as a cornerstone of the program

***WELCOME  
NANCY***

**Hello everyone. My name is Nancy, and I am the new 4-H Program Coordinator for both Schoharie and Otsego Counties. I was born and raised here in Schoharie County and have been involved in many projects and programs. I graduated from the former Cobleskill High School, and from the College of Saint Rose with a Masters in Special Education. Working with youth has always been in my heart and soul.**

**Some of you may either recognize me from the Schoharie County Youth Bureau or Harmony Acres. While I was not involved in 4-H as a youth, I have participated as a judge for Public Presentations and for the Art and Craft division of the youth fair entries. Through these, I have learned about the program and those involved in it. I have met some great people along the way. I look forward to continuing to learn more about 4-H, assisting with programming, and getting to meet all of you.**

# National 4-H Week

Members of the  
Gilbertsville Dairy Club  
celebrated National 4-H  
Week with an  
“I Love 4-H” display.

UNITED STATES  
DEPARTMENT OF AGRICULTURE  
Office of the Secretary  
Washington, DC 20250

**NATIONAL 4-H WEEK**  
October 1-7, 2023

By the Secretary of Agriculture of the United States of America

## A PROCLAMATION

**WHEREAS**, this year's National 4-H Week theme, “**I Love 4-H**,” reminds us that every child has valuable strengths and real influence to improve the world around us; and

**WHEREAS**, for 120 years, 4-H has served America's young people to make the best better, and is now the Nation's largest youth development organization; and

**WHEREAS**, 4-H programs are delivered by Cooperative Extension—a community of more than 100 public universities across the Nation—that provide experiences for young people to learn by doing; and

**WHEREAS**, 4-H connects young people and adults to their communities, preparing them for work and life through experiential and inquiry-based learning while providing emerging research for positive youth development; and

**WHEREAS**, expanding from its strong agricultural roots, 4-H helps young people explore the world around them and grow into productive adults;

**WHEREAS**, supporting future leaders in science, agriculture and community leadership is important for the U.S. Department of Agriculture and the National Institute of Food and Agriculture 4-H program; and

**NOW, THEREFORE**, I, THOMAS J. WILSACK, United States Secretary of Agriculture, do hereby proclaim October 1 through October 7, 2023, as **National 4-H Week**; and call upon all Americans to learn more about and celebrate the 4-H program with appropriate ceremonies and activities.

**IN WITNESS WHEREOF**, I have hereunto set my hand this 28th day of September 2023, the two-hundred forty-seventh year of the Independence of the United States of America.

THOMAS J. WILSACK  
Secretary

## 2023 4-H Graduates

Abbie Ainslie  
High School-Mount Markham  
Plans-Attend Cornell University to major in Animal  
Science and Minor in Agricultural Education

To me, 4-H means being a part of something larger than yourself. The skills that I have gained through 4-H project work have helped guide my future career path in agriculture. I have also made life-long friendships and memories throughout my time in 4-H.

---

Bethany Barringer  
High School-Morris  
Plans-Work with kids as an aide at  
Morris School and raise beef cattle

4-H means to me: Helping the younger kids that need help showing their animals. One of my favorite memories about 4-H is meeting new people and making new friends.

---

Hannah Bonczkowski  
High School- Gilbertsville Mt Upton  
Plans-Attending SUNY Morrisville, studying  
journalism and communication in online media

4-H will always be special to me because it has taught me countless life lessons. It has taught me responsibility, dedication, and work ethic. Those qualities will stay with me for the rest of my life and I can thank 4-H for that.

## 2023 4-H Graduates

Megan Perrine  
High School  
Gilbertsville-Mt Upton  
Plans-Major in Exercise Science at  
Cedar Crest College, Allentown  
PA

4-H has taught me the importance of community and service, 4-H has also allowed me to meet some of my closet friends. I believe that 4-H has helped me become a well rounded individual.

Chase Burkhart  
High School  
Cooperstown  
Plans-Pursuing a career in the  
agriculture industry

4-H means to me developing my skills, gaining new friendships, and showing my animals. I have become more confident through my 4-H activities.

## **Earn-an-Animal & Livestock Auction Information Event**

**THIS IS A MANDATORY MEETING TO PARTICIPATE IN THESE PROGRAMS**

An information meeting for the 2024 4-H Livestock Auction and Earn-an-Animal programs will be held for 4-H members interested in selling an animal in the 2024 4-H Livestock Auction and to earn funding toward a project animal to raise and show as their own.

Livestock Auction species include: beef, goats, poultry, rabbits, sheep and swine. Requirements of the program will be explained. Youth **MUST** be accompanied by at least one parent/guardian during the meeting.

The Earn-an-Animal program requires dedication from the youth member and support from their guardians. Youth accepted into the programs will not only learn how to care for their animals, they will experience the process of researching, selecting and purchasing an animal. Participants accepted into the programs will further develop their planning, time management, organization, and recordkeeping skills.
