4-H CLOVERBUD GENERAL RULES AND REGULATIONS

4-H Cloverbuds, the youngest participants in the 4-H Club Program, are enthusiastic, curious, creative, robust and resilient young people who are growing physically, cognitively, socially and emotionally through a period of rapid and often uneven development. The 4-H Cloverbud Program has been designed to meet the very special needs of these 5 to 8 year olds. The New York State Cloverbud Policy specifies a Cloverbud must turn 5 by January 1 of the 4-H club year and must have been enrolled in Kindergarten at the beginning of the school year.

Safety - Safety is always a concern in any program that involves youth. It is of particular importance when working with 4-H Cloverbuds (children develop mentally in the kindergarten to third grade level). When working with this audience and animals, it must be remembered that the safety of the youth is the primary concern and objective. The developmental levels of 4-H Cloverbuds may limit their ability to work safely in some project areas. Care must be taken not just with animals, but also with any 4-H Club activity that may include animals, large equipment, certain outdoor activities (games and athletic activities, water activities, etc.) or other situations where safety of youth would be an issue.

Recognition – For 4-H Cloverbuds, recognition should be informal and equal for all participants. Cloverbuds may not be competitively evaluated against one-another, against older youth or participate in any class that ranks the child or their project animal. Cloverbuds can receive a participation ribbon; prize or other fun token that indicates every child is a winner! Expensive trophies, Danish ribbons and financial rewards are inappropriate.

Competition - Competition takes the emphasis away from the process and puts it on the end product. Young children are fascinated with the process of accomplishing a task. Placing importance on the result rather than the process is in direct conflict with what is important to children in this developmental stage. The absence of competition reduces the importance of the outcome and frees each child to simply enjoy the experience of playing and learning. Research indicates that children under age 8 are not developmentally ready to participate in structured peer competitive events. "Exhibition Only" means neither youth, nor projects are ranked or placed. All participants are equally praised for their accomplishments in a show & tell type setting.

CLOVERBUD 4-H MEMBER EXHIBIT AREAS

4-H PROJECTS/ENTRIES

- 4-H Cloverbuds may enter their 4-H projects in the Cloverbud category
- 4-H Cloverbuds are not judged. Cloverbuds will speak with evaluators and become familiar with the process of evaluation.
- All Cloverbuds will receive a ribbon of participation.
- Each 4-H Club Organizational Leader in cooperation with the 4-H Cloverbud member's parents or guardians should make a decision about whether or not this an appropriate level of participation for the individual 4-H Cloverbud.

CLOVERBUD 4-H CLUB DISPLAY - a showcase of your 4-H Cloverbud Club

- 4-H Clubs must pre-register by July 7 on the appropriate fair entry form.
- Each Cloverbud 4-H Club will be assigned a display area which is approximately 4' deep x 4' long
- This is an educational display
- The Cloverbud 4-H Club will receive a monetary award for their participation.

4-H CLOVERBUD SHOWMANSHIP - 4-H Cloverbuds will be allowed to participate in a special 4-H Cloverbud Showmanship Class for any animal species except horse, cattle & swine.

- All class participants will receive a participation ribbon. Participants will not be placed and monetary awards will not be given. This is a participation class, not a competition class.
- The 4-H Cloverbuds must have worked with the animal during the current 4-H Club year. The 4-H Cloverbud must be able to control the animal: halter and lead line is recommended where appropriate.
- **Older 4-H members or an adult helping in the show ring is mandatory.**

Non-Animal Project Check-In

Exhibit Hall (Progressland Building)

Saturday, August 8th from 1:00-4:00 PM

NOTE: ALL Green 4-H Entry Cards MUST be completed BEFORE the 4-Her crosses the border to be evaluated!

1. Each exhibitor will approach the registration desk.
2. Give your last name to find your Exhibit Entry Form.
3. Provide your COMPLETED green 4-H Entry Card(s) – one for each entry.
4. All green Entry Cards must be attached properly to the project prior to entering the Exhibit Hall for evaluations. It must be placed so that an audience is able to view the project and card.
5. No Entry Form = no premiums
6. Parents/Guardians are not allowed in the evaluation area.
7. Cloverbud members must be accompanied by an adult.

Animal Health Requirements For Admission to New York State and County Fairs

(Part 351 of NYS Agriculture and Markets Regulations)

NYS Department of Agriculture and Markets/Division of Animal Industry

518-457-3502 | www.agriculture.ny.gov/animals

The 2026 Animal Health Requirements for Admission to New York State and County Fairs, Part 351, or AI-202, now includes BOTH requirements for in-state and out-of-state animals. There will not be a separate document for interstate requirements. Where applicable, sections are clearly marked when requirements apply to in-state or out-of-state animals or both. This is the *only* document to print and refer to for 2026 fair regulations.

Table of Contents

- A. General Prohibitions and Requirements
- B. Certificates of Veterinary Inspection
- C. Animal Identification
- D. Rabies Vaccination
- E. Acceptable Proof of Rabies Vaccination
- F. BVD-PI Testing
- G. Cleaning and Disinfection
- H. Animal Deaths
- I. Calving, Kidding, and Lambing
- J. Commingling of Sheep and Cattle
- K. Commingling of Swine and Poultry
- L. Isolation upon Returning Home
- M. Individual Species Requirements
 - Horses, Cattle, Sheep, Goats, Swine, Llamas and Alpacas, Poultry, Deer/Elk, Miscellaneous Ruminants

A. General Prohibitions and Requirements

- No person shall bring or have present an animal on the fairgrounds for any reason (show, exhibit, raffle, demonstration, display) during a fair which is not qualified under NYS regulations.

Department of Agriculture and Markets

KATHY HOCHUL
Governor

RICHARD A. BALL
Commissioner

- Any animal which is subject to inspection upon entry to the fairgrounds will be inspected without covering (wraps, coats, head gear, etc.).
- No person shall present an interstate or intrastate certificate of veterinary inspection that has been altered by anyone other than the issuing veterinarian.
- Animals demonstrating clinical signs or other evidence of infectious, contagious, or communicable diseases shall not be allowed on the fairgrounds during a fair.
- Representatives of the Commissioner may deny admission to, or require removal from, the fair premises or require the segregation of any animal showing signs of, or exposed to, any infectious, contagious, or communicable disease.
- The fair board of directors has the authority to reject unworthy or unsightly exhibits for reasons other than infectious, contagious, or communicable disease (Part 350.10). The state veterinarian or animal health inspector will bring questionable exhibits to the attention of the fair board.
- All animals presented that originate from a location other than New York shall meet all New York State importation regulations in addition to the fair animal health requirements.

B. Certificates of Veterinary Inspection (CVI)

- The CVI must be issued by a USDA Category 2 accredited veterinarian. Wet ink signatures for paper CVIs or e-signature for eCVIs are accepted.
- An e-CVI may be issued but a paper copy of the e-CVI is required for the animal check-in process so it can be physically initialed and dated by department staff.
- All animals must be officially identified. **All manmade and official ID must be recorded.**
- Only one species is allowed per CVI.

NEW YORK STATE-ORIGIN ANIMALS:

- ✓ A valid intrastate CVI (AI-61) is required for cattle, sheep, goats, swine, llamas, alpacas, deer and miscellaneous ruminants.
- ✓ The CVI must be issued on or after May 1st of the current year.

OUT-OF-STATE ANIMALS:

- ✓ All animals entering New York State must satisfy both import requirements and fair requirements for that species and be accompanied by a valid interstate CVI.
- ✓ The interstate CVI is valid for 30 days from the date of CVI inspection. During the New York fair season (July 1 through Labor Day) valid CVIs can be used multiple times for entrance into a qualifying [NYS Agricultural Fair \(linked here\)](#)

Department of Agriculture and Markets

KATHY HOCHUL
Governor
RICHARD A. BALL
Commissioner

(<https://www.nyfairs.org/>) The initial entrance into a ([qualifying NYS Agricultural Fair](#)) must be within 30 days of the date of CVI inspection. The name of the fair must be recorded on the CVI. For the CVI to be used for a later fair, it must be dated and initialed by a NYS Agriculture and Markets official noting the location of the initial, qualifying NYS Agricultural Fair. A change in health status or eligibility of an animal necessitates the generation of a new CVI.

- ✓ **New York does not participate in the New England Exhibition Show and Fair Circuit.**
- ✓ Questions regarding import requirements should be directed to the Division of Animal Industry at 518-457-3971, or at the division's import/export homepage: <https://agriculture.ny.gov/animals/animal-import-export>

C. Animal Identification

- All manmade and official ID must be recorded. Record full ID tag numbers.
- Do not record ID that is yet to be applied to / within an animal.
- Cattle: All cattle must be identified by an official USDA radio frequency identification (RFID) eartag, commonly referred to as an "840 RFID tag" or equivalent official RFID tag if the animal was tagged in another country.
- Sheep and Goats: All small ruminants must be identified by official scrapie identification.
- Swine: Swine must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended.
- Equids: A complete written description is sufficient identification for horses entering New York accompanied by a CVI. The description must match the EIA test record. Horse sketches/photos and descriptions should reference color pattern, hair whorls, chestnuts, scars, and other markings as necessary to uniquely identify the horse. Names, tattoos and microchips, if any, are to be recorded. "Bay, no markings" is not an acceptable description for a CVI or EIA test record.
- Llamas and Alpacas: New world camelids must be identified by official ear tag or microchip.
- Miscellaneous Ruminants: They must be identified by unique ear tag or microchip (i.e.: aoudad, antelope, chamois)
- If you are exhibiting animals identified by microchip, a working reader must be supplied by the exhibitor. For questions on animal identification please contact your veterinarian or our office at 518-457-3502.

Department of Agriculture and Markets

KATHY HOCHUL
Governor
RICHARD A. BALL
Commissioner

D. Rabies Vaccination

- Rabies vaccination is required for all species for which there is a USDA licensed vaccine available (cattle, horses, sheep, dog, cat, ferret) **and** that are *4 months of age or older* on the date of admission to the fair.
 - For most rabies vaccines, the earliest age allowable for primary vaccination is 3 months (12 weeks). Animals that are vaccinated prior to 84 days of age will need to be re-vaccinated according to label before entering the fairgrounds.
- Vaccine must have been administered within the past 12 months. The exception is Imrab LA vaccine used in sheep which protects for 3 years after the second annual vaccination (consult your veterinarian).
- The rabies vaccination requirement must be met on the day of admission even if the animal was previously admitted to a fair when too young to vaccinate.
- Individual fairs can require animals for which there is no approved rabies vaccine to be vaccinated for rabies. The requirements outlined above would apply. The fair is responsible for notifying exhibitors.
- The [New York State Fair](#) requires rabies vaccination for all livestock species entering the grounds.

E. Acceptable Proof of Rabies Vaccination

- Acceptable proof of rabies vaccination must include a signed written statement from the veterinarian administering the vaccine to said described animal(s) or a valid certificate of veterinary inspection that has the vaccination listed and is signed by the Category 2 accredited veterinarian.
- **Acceptable proof of rabies vaccination must include the name of the product used, the date of administration, and the duration of immunity if longer than one year (applies to sheep only).**
- If the statement of rabies vaccination is included on a paper EIA test record, the test record must be signed certifying the vaccination in addition to the required signature for the EIA test record.
- If the statement of rabies vaccination is electronically entered into an eEIA test record, only one electronic signature is required.
- Rabies titers are not acceptable proof of rabies protection and cannot be used to meet entry requirements.
- **A veterinary clinic invoice is not sufficient proof of rabies vaccination.**
- Acceptable proof of vaccination for dogs is a valid rabies vaccination certificate or a copy of the dog license that contains the rabies vaccination information.

Department of Agriculture and Markets

KATHY HOCHUL
Governor
RICHARD A. BALL
Commissioner

F. BVD-PI Testing

- All cattle, llamas, and alpacas exhibited at NY county fairs, or the [New York State Fair](#) must be negative to an approved test appropriate to detect **Bovine Viral Diarrhea persistent infection (BVD-PI)**. Official ID must be in the animal prior to sampling. The testing veterinarian is responsible to make sure the proper test is conducted. This is a once in a lifetime test that must be reported on the required certificate of veterinary inspection. The issuing veterinarian is responsible for verifying the validity of the test, existing official identification of the animal, and recording the test date on the CVI. If a previous test or official identification is not verifiable, the test must be repeated.

G. Cleaning and Disinfection

- All buildings on the fairgrounds housing animals must be cleaned and disinfected prior to the opening of the fair and between groups of animals when housing is rotated (Section 50.2 of Agriculture and Market regulations).

H. Animal Deaths

- Occasionally animal deaths occur at a fair. If a death occurs, it must be reported to the state veterinarian in charge as soon as possible for review. The animal must be promptly removed from the public exhibit area to a secure location and held for the veterinarian prior to disposal.

I. Calving, Kidding, and Lambing

- Any cattle, goats, or sheep that calve, kid, or lamb while at a county fair or the State Fair will be **ordered removed from the fairgrounds** along with their offspring, unless the animals are part of a birthing demonstration.

J. Commingling of Sheep and Cattle

- Due to the potential spread of malignant catarrhal fever from sheep to cattle, it is strongly recommended that cattle be kept separate from sheep.

K. Commingling of Swine and Poultry

- Due to the potential spread of influenza virus, it is recommended that swine and poultry be housed in separate locations.

L. Isolation upon Returning Home

- The owner or custodian shall keep show animals biologically separate from the herd or flock for a period of at least two weeks after returning to the premises of origin. If any illness is noted in the exhibition animals, the owner should contact their veterinarian immediately.

M. Individual Species Requirements

- Beginning in 2026, each species has its own entry requirements listed based on if animals originated from within New York or from out of state.

HORSES

NEW YORK STATE-ORIGIN HORSES:

1. No CVI required.
2. Negative Equine Infectious Anemia (EIA) test is required for all horses 6 months of age or older. The horse must be accompanied by a valid negative EIA test record, signed by a USDA Category 2 accredited veterinarian. The sample collection date for the qualifying EIA test must have been on or after January 1, 2025, for New York origin horses. The EIA test certificate must include a complete description and identification of the horse. Horse sketches/photos and descriptions should reference color pattern, hair whorls, chestnuts, scars, and other markings as necessary to uniquely identify the horse. Names, tattoos and microchips, if any, are to be recorded. "Bay, no markings" is not an acceptable description for a CVI or EIA test record.
3. Rabies vaccination is required for all species for which there is a USDA licensed vaccine available (cattle, horses, sheep, dog, cat, ferret) **and** that are *4 months of age or older* on the date of admission to the fair. For most rabies vaccines, the earliest age allowable for primary vaccination is 3 months (12 weeks). Animals that

The [New York State Fair](#) requires rabies vaccination for all livestock species entering the grounds.

4. See Section F for “Acceptable Proof of Rabies Vaccination.”

OUT-OF-STATE HORSES:

1. Certificate of Veterinary Inspection (CVI) is required for out-of-state horses. All animals entering New York State must satisfy both import requirements and fair requirements for that species and be accompanied by a valid interstate CVI. The interstate CVI is valid for 30 days from the date of CVI inspection. During the New York fair season (July 1 through Labor Day) valid CVIs can be used multiple times for entrance into a qualifying [NYS Agricultural Fair \(linked here\)](#) (<https://www.nyfairs.org/>) The initial entrance into a [qualifying NYS Agricultural Fair](#) must be within 30 days of the date of CVI inspection. - All cattle must be vaccinated against bovine respiratory disease complex including bovine respiratory syncytial virus, bovine virus diarrhea, infectious bovine rhinotracheitis and parainfluenza with an age appropriate- product administered in a manner and time frame adequate to confer protective immunity for these diseases for the duration of the fair. The date and vaccine product must be documented.

OUT-OF-STATE CATTLE:

1. Certificate of Veterinary Inspection (CVI) is required for out-of-state cattle. All animals entering New York State must satisfy both import requirements and fair requirements for that species and be accompanied by a valid interstate CVI. The interstate CVI is valid for 30 days from the date of CVI inspection. diseases for the duration of the fair. The date and vaccine product should be documented.

SHEEP

NEW YORK STATE-ORIGIN SHEEP:

1. A valid intrastate CVI (AI-61) is required.
 - The CVI must be issued on or after May 1st of the current year. The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the flock of origin was inspected after May 1st of the current year and no evidence of contagious, infectious, or communicable diseases was found.
 - If evidence of sore mouth (contagious ecthyma) is found on any sheep, the entire exhibit including the affected animals (and any small ruminants from any other flock on the same conveyance to the fairgrounds) shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.
2. All animals are individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible USDA approved registration tattoo or 3) a legible USDA approved flock tattoo and individual animal ID number or 4) electronic implant device (microchip) if the sheep is enrolled in the Scrapie Flock Certification Program, and/or the electronic implant ID is recorded on the sheep's registration paper. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824). If you are exhibiting animals identified by microchip, a working reader must be supplied by the exhibitor.
3. Rabies vaccination is required for all species for which there is a USDA licensed vaccine available (cattle, horses, sheep, dog, cat, ferret) **and** that are *4 months of age or older* on the date of admission to the fair. For most rabies vaccines, the earliest age allowable for primary vaccination is 3 months (12 weeks). Animals that are vaccinated prior to 84 days of age will need to be re-vaccinated according to label before entering the fairgrounds. Vaccine must have been administered within the past 12 months. The exception is Imrab LA vaccine used in sheep which protects for 3 years after the second annual vaccination (consult your veterinarian). The rabies vaccination requirement must be met on the day of admission even if the animal was previously admitted to a fair when too young to vaccinate. The [New York State Fair](#) requires rabies vaccination for all livestock species entering the grounds. See Section F for "Acceptable Proof of Rabies Vaccination."

OUT-OF-STATE SHEEP:

1. Certificate of Veterinary Inspection (CVI) is required for out-of-state sheep. All animals entering New York State must satisfy both import requirements and fair requirements for that species and be accompanied by a valid interstate CVI. The interstate CVI is valid for 30 days from the date of CVI inspection. During the New York fair season (July 1 through Labor Day) valid CVIs can be used multiple times for entrance into a qualifying [NYS Agricultural Fair \(linked here\)](https://www.nyfairs.org/) (<https://www.nyfairs.org/>) The initial entrance into a qualifying NYS Agricultural Fair must be within 30 days of the date of CVI inspection. The name of the fair must be recorded on the CVI. For the CVI to be used for a later fair, it must be dated and initialed by a NYS Agriculture and Markets official noting the location of the initial, qualifying NYS Agricultural Fair. A change in health status or eligibility of an animal necessitates the generation of a new CVI. **New York does not participate in the New England Exhibition Show and Fair Circuit.** Questions regarding import requirements should be directed to the Division of Animal Industry at 518-457-3971, or at the division's import/export homepage: <https://agriculture.ny.gov/animals/animal-import-export> .
 - The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the herd of origin was inspected after May 1 of the current year and no evidence of contagious, infectious, or communicable diseases was found.
 - If evidence of sore mouth (contagious ecthyma) is found on any sheep, the entire exhibit including the affected animals (and any small ruminants from any other flock on the same conveyance to the fairgrounds) shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

GOATS

NEW YORK STATE-ORIGIN GOATS:

1. A valid intrastate CVI (AI-61) is required. The CVI must be issued on or after May 1st of the current year.
 - The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the flock of origin was inspected after May 1st of the current year and no evidence of contagious, infectious, or communicable diseases was found.
 - If evidence of sore mouth (contagious ecthyma) is found on any goats, the entire exhibit including the affected animals (and any small ruminants from any other flock on the same conveyance to the fairgrounds) shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.
2. All animals are individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible USDA approved registration tattoo or 3) a legible USDA approved herd tattoo and individual animal ID number or 4) electronic implant device (microchip) if the goat is enrolled in the Scrapie Flock Certification Program and/or the electronic implant ID is recorded on the goat’s registration paper. For information on scrapie ID, contact USDA at 1-866-USDA-TAG (1-866-873-2824). If you are exhibiting animals identified by microchip, a working reader must be supplied by the exhibitor.
3. Rabies Vaccination - Individual fairs can require animals for which there is no approved rabies vaccine to be vaccinated for rabies. The fair is responsible for notifying exhibitors. IAFE (INTERNATIONAL ASSOCIATION OF FAIRS AND EXPOSITIONS)

CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- 1) All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
- 2) Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
- 3) Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
- 4) Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing.

Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes,

regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5) Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6) The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7) Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

8) No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9) The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10) The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expos and any special notices to members.

11) The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

HORSES

JUNIOR DEPT

DEPARTMENT 17 – HORSES JUNIOR DEPT: 4-H, FFA and FCCLA Exhibits

Director in Charge: Lois Goblet

Superintendent: Catherine Roberts – 518-234-4303 Ext 113

1. Participation is open to young people who are actively participating in an educational 4-H horse program under the direction of a volunteer 4-H horse project leader approved by Cornell Cooperative Extension's Schoharie County 4-H Program, or a vocational agriculture student carrying out a supervised horse husbandry program under the direction of a vocational agriculture teacher of one of the Schoharie County vocational agriculture departments.
2. All equines must have been officially designated as the member's project animal by June 1 of the current year. A copy of the completed horse/donkey/mule certificate must be on file with the Cooperative Extension Office by June 1. Members may designate up to 4 personally or family owned equines as project animals and one non-owned backup equine. Each equine must be entered separately. The same horse cannot be used for different riding levels within a discipline. Members with owned or family horses may lease a horse as a backup and must follow all Schoharie County 4-H Horse Program Policies. (*) This horse will not be eligible to go to State Fair. Members may lease a horse, donkey or mule & for driving and a mini for those classes. Members not owning or using a family owned equine may designate two non-owned equine by June 1. Only one non-owned riding equine may be shown. The exhibitor must have cared for all entries continually since June 1 of the current year. A non-owned equine may be shown by different youth in different Divisions. A non-owned equine may not be shown by multiple youth in a given Division.
3. All youth who are exhibiting for their first time at the Sunshine Fair, and whose horse or horse/rider combination has never exhibited at the fair must be evaluated at a 4-H sponsored riding evaluation. If the youth is unable to attend the 4-H evaluation in Schoharie County, they may attend another county's 4-H evaluation event. Proof of evaluation in another County's 4-H program must be provided to the Schoharie County 4-H office prior to the Sunshine Fair Show date or the youth will not be permitted to ride in the show.
4. **Schoharie County Helmet Policy: All youth participating in an official 4-H activity, event or show, shall wear a properly fitted and secured, officially approved ASTM/SEI protective helmet at all times when leading, handling, mounted on an equine, or seated in a vehicle being pulled by one or more equines.** This age requirement overrules New York State Rules. Failure to comply with this rule will result in dismissal from the show. Per New York State Law No. VAT1265, all riders 17 years of age and under must wear a helmet meeting or exceeding ASTM F1163 (Safety Equipment Institute Certified) equestrian standard. The parent/guardian who signs the release form for an exhibitor 17 and under is personally responsible for seeing that those exhibitor(s) in their care, custody and control, obey this law.
5. Making Entries - Every participant must be properly entered in order to compete. Read general rules and regulations governing participation in fair and also rules and regulations for Department. Late entries cannot be accommodated. Entries should be received by July 7th. The address/payee is Cobleskill Agricultural Society, PO Box 249, Cobleskill, NY 12043.
6. No stallions allowed.
7. Exhibitors must purchase a youth exhibitor pass.
8. Exhibitors shall wear numbers clearly visible on their backs.
9. Requests for stall arrangements **must** be submitted with entry form. Requests will be acted on and stall assignments will be made by the director or superintendent in charge of youth horse program.
 - a. Overnight Stall Rental Fees: for 4-H days only are free. If you enter into an open Horse class you will be charged the \$12 per day stall fee.
10. Camper requests must be submitted on the entry form.
11. Horses must remain on the trailer until the required health and ownership papers have been checked. There shall be no unsupervised riding or driving of Junior Exhibitor animals housed on the fairgrounds at any time. All riding and leading on roadways is to be at a walk only. Pedestrians have the right of way. Schooling is allowed only in designated area.
12. The number of horses allowed in a class will be left to the judge's discretion, with input received from the Junior Department Show Superintendent.
13. Riders may only show at the level that the horse rider combination has been evaluated at.
14. Any w/t horse rider combination that breaks gait for more than 3 strides in two classes will be disqualified for the remainder of the show.
15. Class descriptions and judging shall be according to "NYS 4-H Horse Show Rules & Regulations". Copies are available at the Cooperative Extension Office.
16. No equine may be ridden without a bitted bridle except during the Gymkhana division when a hackamore may be used.
17. Appropriate bits and attire should be used. English wear and equipment should only be used in English classes. Western wear and equipment should only be used in Western classes. Western riders should only be using one hand to ride, with the exception of junior horse.
18. There shall be no horses on the ground around the 4-H Show Ring that are not bona fide 4-H project animals.
19. There shall be no horses past the draft barn towards the midway at any time.
20. Horses may come onto the fairgrounds after 3p.m. on the Monday before the fair start date.

21. Junior Department exhibitors must be chaperoned by parent/guardian of 21 or older at all times.
22. Junior Department exhibitors remaining on the grounds overnight must be in their sleeping quarters by 11 p.m. No exhibitors may be in the barns after 11 p.m. No grooming of animals after 11 p.m.
23. Youth must be present at the time of judging. Each member is expected to be responsible for the showing and care of his or her own animal. Exceptions can be made under such circumstances or conditions as the agriculture educator may determine necessary. Up to two entries per class will be allowed. If an exhibitor has two entries in a class, the second entry must be shown by another youth who is also exhibiting in the show. Adult assistance is permitted on a case by case basis with the approval of the Cooperative Extension representative.

DEPARTMENT 18

DAIRY

JUNIOR DEPT

DEPARTMENT 18 – JUNIOR DEPT: 4-H, FFA and FCCLA Exhibits

Director in Charge: Lois Goblet

Superintendent: Catherine Roberts – 518-234-4303 Ext 113

General Rules & Regulations for Livestock & Poultry (Excluding Horses)

1. Competition is open to enrolled Schoharie County 4-H members, or FFA, or agricultural education student enrolled in a Schoharie County elementary, middle or high school during the previous school year. Youth must be at least 8 years old to exhibit in premium classes. Youth who are between 5 and 8 years old, may exhibit for participation only in classes designated as CLOVERBUD classes.
2. All exhibits in this department will be governed under the same general rules and regulations that apply to other departments.
3. Entries should be postmarked by July 7th, unless specified otherwise. The address and payee is Cobleskill Agricultural Society, PO Box 249, Cobleskill NY 12043. No fee is required to enter except for the purchase of entrance tickets.
4. No Late entries will be accepted.
5. Exhibitors 18 and under must purchase a \$5 Youth weekly exhibitor ticket. The \$5 Youth Exhibitor ticket will be issued to the exhibitor upon placement of their entry. Otherwise, exhibitors and contestants must abide by regular admission regulations - see general rules.
6. No passes will be mailed. All passes will be distributed by the Department Superintendents upon delivery of items for judging.
7. Submission of an entry implies the exhibitor has read and agrees to the Fair's General Rules and Regulations and the Department's Rules and Regulations plus all the Animal/Poultry Health Rules & Regulations.
8. Youth must be present at the time of judging. Each member is expected to be responsible for the showing and care of his or her own animal. Exceptions can be made under such circumstances or conditions as the agriculture educator may determine necessary. Up to two entries per class will be allowed. If an exhibitor has two entries in a class, the second entry must be shown by another youth who is also exhibiting in the show. Adult assistance is permitted on a case by case basis with the approval of the Cooperative Extension representative.
9. The awarding of ribbons and premiums shall be at the judge's discretion. The Danish system of awards will be used except where noted for all Junior Departments.
10. Animals/poultry cannot be put into housing until approved by Vet. Proper certificates and tags required. Drop off times are Sunday & Monday, August 9th & 10th from 9 am to 1 pm for all animals. All stalls, pens or cages must be labeled with contact person's name and best phone number.
11. All livestock exhibits will be released 7 p.m. on Sunday, August 16th and must be off the grounds before noon Monday, unless specified differently. Due to the release time and other activities on the grounds, extra measures have been taken to ensure that safety and traffic patterns are not impacted in any negative way. Exhibits leaving before the permitted time will forfeit their premium money.
12. **Footwear:** Exhibitors are not permitted to wear flip flops in the animal barns. Sneakers or barn boots are strongly suggested.
13. Cloverbud Classes: Youth between the ages of 5 and 8 as of January 1 are considered Cloverbuds. Cloverbud aged youth may only enter designated Cloverbud classes for prizes and ribbons only. Cloverbuds may not enter premium classes.
14. It is expected that all Junior Department exhibitors will act in an appropriate manner. Any member of this department found conducting themselves in an improper manner or who violates any of the rules as set forth will forfeit any guarantee and premiums due and may be dismissed from the fairgrounds with exhibits. In addition, any parent displaying unsportsmanlike conduct may be subject to dismissal from the show grounds.
15. Junior Department exhibitors are urged to go home each evening. Exhibitors remaining on the fairgrounds must be chaperoned by a parent or guardian 21 or older.
16. Junior Department exhibitors remaining on the grounds overnight must be in their sleeping quarters by 11 p.m. No exhibitors may be in the barns after 11 p.m. No clipping of animals after 11 p.m.

JUNIOR DEPT - DAIRY

The purpose of the Junior Department Dairy and Livestock shows are to teach the fundamentals of good livestock husbandry, to emphasize production and quality in farm animals, to stress the breeding of better livestock, to aid in developing a stronger county program, to demonstrate the finer points of fitting and showmanship, and to provide recognition and a fitting climax to each year's efforts of boys and girls.

- Competition is open to enrolled Schoharie County 4-H members or active FFA members enrolled in a Schoharie County FFA program. Youth participants must be at least 8 years of age by January 1st of current club year and not have reached their 19th birthday prior to January.
- Exhibitors must adhere to Animal Health Requirements for Admission to New York State and County Fairs for the current show season. (Refer to the beginning of premium list for more information).
- Showmanship and Dairy Cattle will be shown on **Wednesday, 8/12 @ 9am.**
- No substitutions are allowed.
- All exhibitors must be in the ring for the entire class in order to receive a premium for that class. In the event that the Junior Exhibitor cannot handle his or her animal, the exhibitor must still have some control of the halter to receive a premium.
- Cattle may be registered or non-registered - must fit A. or B.
 - A. All registered animals entered must have registration papers showing ownership by the exhibitor. Registration papers should be available to present during the fair.
 - B. All grade animals must have a grade ownership certificate. Grade ownership certificates are available from the Cooperative Extension Office and must be complete with all required signatures, but are not required to be on file. However, certificates should be available to present during the fair..
- Cattle may be either owned or non-owned - must fit A. or B.
 - A. All owned cattle must be personally owned and registered to the youth exhibitor as well as cared for by that exhibitor by no later than June 1 of the current year. However, youth should be working with their project animal(s) care. Dual ownership or syndicates are not allowed.
 - * We will check ownership paperwork

***NEW EXCEPTION:** Dual ownership between siblings will be allowed as long as all of the following criteria are met:

1. They are all bona fide siblings(sister, brother, step sister/brother, half sister/brother, adopted).
2. All siblings on registration paper of animal(s) are of 4-H age and regular members as of

Jan. 1st of the current year. Cloverbuds are not eligible. For NY State Fair entries entered through FFA or endorsed by a breed organization representative will need to follow 4-H rules on age also for the Dairy Youth Show.

3. One sibling has to designate the animal as their project animal for the project year by June 1st of the current year by filing and completing animal identification form.
 4. Completed animal identification form needs to be filed with the appropriate organization (4-H county extension, FFA or Breed organization) to state the youth designation by June 1st.
 5. Designation cannot change during the program year and animal must be shown and exhibited by designated sibling.
 6. Bred and owned recognition can be given to designated youth as long as dual ownership is a current and legal partnership filed with breed organization.
- B. All non-owned cattle must be designated in the youth exhibitor's name and cared for by that exhibitor no later than June 1 of the current year. However, youth should be working with their project animal early on in the project year and should be assuming much of the responsibility for the animal's care.

Non-ownership is not available to youth already owning registered dairy cattle. One non-ownership certificate and the non-ownership rules and guidelines, properly filled out and signed by all parties must be completed and returned by the June 1 deadline. These forms are available from the Cooperative Extension Office. A copy of the non-ownership certificate should be kept by the exhibitor and be available to present during the fair. Youth are limited to showing two non-owned animals. Dual designation of one animal is not permitted.

- Every animal must be accompanied by proper health certificates. Health requirements are the same as those for open class dairy exhibitors. Any animal disqualified for participation in the Fair should be removed from the grounds by the end of the same day.
- Bedding, hay and grain must be furnished by the exhibitor.
- All animals must be housed in the stalls designated by the Dairy Superintendent throughout the duration of the fair.
- Whites are obligatory for all youth showing for the Jr. Dept. Dairy Show on Wednesday. White pants are required for all breed classes though a farm shirt or other solid color shirt is acceptable. Appropriate footwear (preferably boots, but protective footwear is required) must be worn at all times. Flip flops should not be worn in the barn.
- **Please see Department 2, Section 7, Class 6 for Herdsmanship Class open to all youth.**

DEPARTMENT 19

POULTRY

JUNIOR DEPT

DEPARTMENT 19 – POULTRY JUNIOR DEPT: 4-H, FFA and FCCLA Exhibits

Director in Charge: Lois Goblet

Superintendent: Catherine Roberts – 518-234-4303 Ext 113

General Rules & Regulations for Livestock & Poultry (Excluding Horses)

1. Competition is open to enrolled Schoharie County 4-H members, or FFA, or agricultural education student enrolled in a Schoharie County elementary, middle or high school during the previous school year. Youth must be at least 8 years old to exhibit in premium classes. Youth who are between 5 and 8 years old, may exhibit for participation only in classes designated as CLOVERBUD classes.
2. All exhibits in this department will be governed under the same general rules and regulations that apply to other departments.
3. Entries should be postmarked by July 7th, unless specified otherwise. The address and payee is Cobleskill Agricultural Society, PO Box 249, Cobleskill NY 12043. No fee is required to enter except for the purchase of entrance tickets.
4. No Late entries will be accepted.
5. Exhibitors 18 and under must purchase a \$5 Youth weekly exhibitor ticket. The \$5 Youth Exhibitor ticket will be issued to the exhibitor upon placement of their entry. Otherwise, exhibitors and contestants must abide by regular admission regulations - see general rules.
6. No passes will be mailed. All passes will be distributed by the Department Superintendents upon delivery of items for judging.
7. Submission of an entry implies the exhibitor has read and agrees to the Fair's General Rules and Regulations and the Department's Rules and Regulations plus all the Animal/Poultry Health Rules & Regulations.
8. Youth must be present at the time of judging. Each member is expected to be responsible for the showing and care of his or her own animal. Exceptions can be made under such circumstances or conditions as the agriculture educator may determine necessary. Up to two entries per class will be allowed. If an exhibitor has two entries in a class, the second entry must be shown by another youth who is also exhibiting in the show. Adult assistance is permitted on a case by case basis with the approval of the Cooperative Extension representative.
9. The awarding of ribbons and premiums shall be at the judge's discretion. The Danish system of awards will be used except where noted for Department 19.
10. Animals/poultry cannot be put into housing until approved by Vet. Proper certificates and tags required. Drop off times are Sunday & Monday, August 9th & 10th from 9 am to 1 pm for all animals. All stalls, pens or cages must be labeled with contact person's name and best phone number.
11. All livestock exhibits will be released 7 p.m. on Sunday, August 16th and must be off the grounds before noon Monday, unless specified differently. Due to the release time and other activities on the grounds, extra measures have been taken to ensure that safety and traffic patterns are not impacted in any negative way. Exhibits leaving before the permitted time will forfeit their premium money.
12. **Footwear:** Exhibitors are not permitted to wear flip flops in the animal barns. Sneakers or barn boots are strongly suggested.
13. Cloverbud Classes: Youth between the ages of 5 and 8 as of January 1 are considered Cloverbuds. Cloverbud aged youth may only enter designated Cloverbud classes for prizes and ribbons only. Cloverbuds may not enter premium classes.
14. It is expected that all Junior Department exhibitors will act in an appropriate manner. Any member of this department found conducting themselves in an improper manner or who violates any of the rules as set forth will forfeit any guarantee and premiums due and may be dismissed from the fairgrounds with exhibits. In addition, any parent displaying unsportsmanlike conduct may be subject to dismissal from the show grounds.
15. Junior Department exhibitors are urged to go home each evening. Exhibitors remaining on the fairgrounds must be chaperoned by a parent or guardian 21 or older.
16. Junior Department exhibitors remaining on the grounds overnight must be in their sleeping quarters by 11 p.m. No exhibitors may be in the barns after 11 p.m. No clipping of animals after 11 p.m.
17. **2026 Fair Animal Health Requirements:** <https://agriculture.ny.gov/animals/fair-health-requirements>
18. **2026 Fair Interstate Health Requirements:** <https://agriculture.ny.gov/animals/interstate-health-requirements-fair-animals>

JUNIOR DEPT - POULTRY

Rules & Regulations (In addition to General Rules & Regulations)

- All birds must have been owned and cared for by the exhibitor before June 1 of the current year.
- Reservations for pens must be submitted on entry.
- Birds must be in show quality condition: clean, healthy, vigorous, mature for classification, fully feather (meaning no unnatural bare areas), and free from lice and mites. The superintendent is authorized to exclude all exhibits not properly prepared for show or showing a diseased condition. Any poultry disqualified for participation in the Fair should be removed from the premises by the end of the same day.
- **Please provide your own water and feed dishes. Exhibitors will be responsible for the feeding, watering and care of their exhibits.**
- All poultry must be labeled as to owner, address, breed and class number.
- **Each exhibitor may have two entries per class. Specify breed and age of poultry on entry form. In classes 5, 6, 7, 8, 9, 10 & 11 in which two entries per class may be made only if it's two different breeds as defined in the American Standard of Perfection. No more than 15 total poultry can be entered per exhibitor.**
- Only purebred birds may be entered in classes 1-4 and 5-6. Purebreds or crossbreds may be entered in classes 7-11.
- Judging of standard and bantam bred birds will be based on the American Standard of Perfection and the American Bantam Association Standard.
- Production birds will be judged on recommended production characteristics for meat or eggs.
- The Poultry Show will take place on Tuesday, August 11th at 8 am in the Sheep/Goat Barn. All poultry exhibitors must be present, and each exhibitor, at the direction of the judge, will present individual poultry exhibits to the judge for evaluation and determination of award.
- As a health precaution, all live poultry should be kept strictly isolated for 15 days or more or be sold and not returned to the home flock.
- Ribbons will be awarded to the Champion of Show for Poultry and to the Grand Champion Poultry Showman. In addition, ribbons will be awarded to the Best of Show - Production and the Best of Show - Exhibition.

DEPARTMENT 20

GOATS

JUNIOR DEPT

DEPARTMENT 20 GOATS – JUNIOR DEPT: 4-H, FFA and FCCLA Exhibits

Director in Charge: Lois Goblet

Superintendent: Catherine Roberts – 518-234-4303 Ext 113

General Rules & Regulations for Livestock & Poultry (Excluding Horses)

1. Competition is open to enrolled Schoharie County 4-H members, or FFA, or agricultural education student enrolled in a Schoharie County elementary, middle or high school during the previous school year. Youth must be at least 8 years old to exhibit in premium classes. Youth who are between 5 and 8 years old, may exhibit for participation only in classes designated as CLOVERBUD classes.
2. All exhibits in this department will be governed under the same general rules and regulations that apply to other departments.
3. Entries should be postmarked by July 7th, unless specified otherwise. The address and payee is Cobleskill Agricultural Society, PO Box 249, Cobleskill NY 12043. No fee is required to enter except for the purchase of entrance tickets.
4. No Late entries will be accepted.
5. Exhibitors 18 and under must purchase a \$5 Youth weekly exhibitor ticket. The \$5 Youth Exhibitor ticket will be issued to the exhibitor upon placement of their entry. Otherwise, exhibitors and contestants must abide by regular admission regulations - see general rules.
6. No passes will be mailed. All passes will be distributed by the Department Superintendents upon delivery of items for judging.
7. Submission of an entry implies the exhibitor has read and agrees to the Fair's General Rules and Regulations and the Department's Rules and Regulations plus all the Animal/Poultry Health Rules & Regulations.
8. Youth must be present at the time of judging. Each member is expected to be responsible for the showing and care of his or her own animal. Exceptions can be made under such circumstances or conditions as the agriculture educator may determine necessary. Up to two entries per class will be allowed. If an exhibitor has two entries in a class, the second entry must be shown by another youth who is also exhibiting in the show. Adult assistance is permitted on a case by case basis with the approval of the Cooperative Extension representative.
9. The awarding of ribbons and premiums shall be at the judge's discretion. The Danish system of awards will be used except where noted for Department 20.
10. Animals/poultry cannot be put into housing until approved by Vet. Proper certificates and tags required. Drop off times are Sunday & Monday, August 9th & 10th from 9 am to 1 pm for all animals. All stalls, pens or cages must be labeled with contact person's name and best phone number.
11. All livestock exhibits will be released 7 p.m. on Sunday, August 16th and must be off the grounds before noon Monday, unless specified differently. Due to the release time and other activities on the grounds, extra measures have been taken to ensure that safety and traffic patterns are not impacted in any negative way. Exhibits leaving before the permitted time will forfeit their premium money.
12. **Footwear:** Exhibitors are not permitted to wear flip flops in the animal barns. Sneakers or barn boots are strongly suggested.
13. Cloverbud Classes: Youth between the ages of 5 and 8 as of January 1 are considered Cloverbuds. Cloverbud aged youth may only enter designated Cloverbud classes for prizes and ribbons only. Cloverbuds may not enter premium classes.
14. It is expected that all Junior Department exhibitors will act in an appropriate manner. Any member of this department found conducting themselves in an improper manner or who violates any of the rules as set forth will forfeit any guarantee and premiums due and may be dismissed from the fairgrounds with exhibits. In addition, any parent displaying unsportsmanlike conduct may be subject to dismissal from the show grounds.
15. Junior Department exhibitors are urged to go home each evening. Exhibitors remaining on the fairgrounds must be chaperoned by a parent or guardian 21 or older.
16. Junior Department exhibitors remaining on the grounds overnight must be in their sleeping quarters by 11 p.m. No exhibitors may be in the barns after 11 p.m. No clipping of animals after 11 p.m.
17. **2026 Fair Animal Health Requirements:** <https://agriculture.ny.gov/animals/fair-health-requirements>
18. **2026 Fair Interstate Health Requirements:** <https://agriculture.ny.gov/animals/interstate-health-requirements-fair-animals>

JUNIOR DEPARTMENT - GOATS

Rules & Regulations (In addition to General Rules & Regulations)

- Competition is open to enrolled Schoharie County 4-H members, or FFA, or agricultural education student enrolled in a Schoharie County elementary, middle or high school during the previous school year. Youth must be at least 8 years old to exhibit in premium classes. Youth who are between the ages of 5 and 8 years old (as of January 1) may exhibit only in Cloverbud Showmanship for participation only. No premiums will be paid to Cloverbuds. Cloverbud aged youth are not eligible to exhibit in any breed classes.
- **All goats must be vaccinated against rabies following the same protocol as for other species**
- The Junior Department Goat Show will take place on **Thursday, August 13th** at 9 a.m. The show will begin with Fitting and Showmanship, followed by meat goat classes, then dairy goat classes, followed by market, pet/working class, and then fiber goats.
- Entries may be registered or grade. All animals entered must have either registration papers showing ownership (registered animals), or a statement of ownership (for non-registered animals only), or a certificate of non-ownership. Animals need not be owned by the exhibitor. Youth already owning an animal of a particular species cannot exhibit a non-owned animal of the same species. A non-ownership certificate must be supplied by June 1 of the current year. All entries must have been cared for by the exhibitor continually since June 1 of the current year. Youth are limited to showing two non-owned animals.
- Goats with horns and bucks will not be permitted except in meat goat classes.
- Feed, bedding and care must be furnished by the exhibitor.
- To compete at State Fair, animals must be purebred or recorded grade and owned by the exhibitor and registered in the exhibitor's name by June 1 of the current year.
- Entries must meet the state health requirements as listed in the open class section of this book. Any animal disqualified for participation in the Fair should be removed by the end of the same day.
- A class will be divided by breed if the number of entries warrants it. The judge may combine classes deemed to have too few entries.
- Animals shown in group classes must have been shown in breed classes.

DAIRY GOAT SHOWMANSHIP

Each exhibitor must participate in fitting and showmanship and must enter the appropriate class on their entry form.

Exhibitors of dairy goats must wear white. Exhibitors of meat, fiber and pet goats must wear dark pants and clean neat shirts with sleeves. All exhibitors must present a neat and professional appearance. No sandals, flip-flops, T-shirts or sleeveless shirts allowed.

Ribbons will be awarded as follows:

Championship Ribbons: Grand Champion, Reserve Grand Champion, Senior Champion, Reserve Senior Champion, Junior Champion, Reserve Junior Champion, Champion Showman, Reserve Champion Showman, Best Udder, Grand Champion Meat Animal, Reserve Grand Champion Meat Animal.

JUNIOR DEPT

DEPARTMENT 21 – SWINE JUNIOR DEPT: 4-H, FFA and FCCLA Exhibits

Director in Charge: Lois Goblet

Superintendent: Catherine Roberts – 518-234-4303 Ext 113

General Rules & Regulations for Livestock & Poultry (Excluding Horses)

1. Competition is open to enrolled Schoharie County 4-H members, or FFA, or agricultural education student enrolled in a Schoharie County elementary, middle or high school during the previous school year. Youth must be at least 8 years old to exhibit in premium classes. Youth who are between 5 and 8 years old, may exhibit for participation only in classes designated as CLOVERBUD classes.
2. All exhibits in this department will be governed under the same general rules and regulations that apply to other departments.
3. Entries should be postmarked by July 7th, unless specified otherwise. The address and payee is Cobleskill Agricultural Society, PO Box 249, Cobleskill NY 12043. No fee is required to enter except for the purchase of entrance tickets.
4. No Late entries will be accepted.
5. Exhibitors 18 and under must purchase a \$5 Youth weekly exhibitor ticket. The \$5 Youth Exhibitor ticket will be issued to the exhibitor upon placement of their entry. Otherwise, exhibitors and contestants must abide by regular admission regulations - see general rules.
6. No passes will be mailed. All passes will be distributed by the Department Superintendents upon delivery of items for judging.
7. Submission of an entry implies the exhibitor has read and agrees to the Fair's General Rules and Regulations and the Department's Rules and Regulations plus all the Animal/Poultry Health Rules & Regulations.
8. Youth must be present at the time of judging. Each member is expected to be responsible for the showing and care of his or her own animal. Exceptions can be made under such circumstances or conditions as the agriculture educator may determine necessary. Up to two entries per class will be allowed. If an exhibitor has two entries in a class, the second entry must be shown by another youth who is also exhibiting in the show. Adult assistance is permitted on a case by case basis with the approval of the Cooperative Extension representative.
9. The awarding of ribbons and premiums shall be at the judge's discretion. The Danish system of awards will be used except where noted for Department 21.
10. Animals/poultry cannot be put into housing until approved by Vet. Proper certificates and tags required. Drop off times are Sunday & Monday, August 9th & 10th from 9 am to 1 pm for all animals. All stalls, pens or cages must be labeled with contact person's name and best phone number.
11. All livestock exhibits will be released 7 p.m. on Sunday, August 16th and must be off the grounds before noon Monday, unless specified differently. Due to the release time and other activities on the grounds, extra measures have been taken to insure that safety and traffic patterns are not impacted in any negative way. Exhibits leaving before the permitted time will forfeit their premium money.
12. **Footwear:** Exhibitors are not permitted to wear flip flops in the animal barns. Sneakers or barn boots are strongly suggested.
13. Cloverbud Classes: Youth between the ages of 5 and 8 as of January 1 are considered Cloverbuds. Cloverbud aged youth may only enter designated Cloverbud classes for prizes and ribbons only. Cloverbuds may not enter premium classes.
14. It is expected that all Junior Department exhibitors will act in an appropriate manner. Any member of this department found conducting themselves in an improper manner or who violates any of the rules as set forth will forfeit any guarantee and premiums due and may be dismissed from the fairgrounds with exhibits. In addition, any parent displaying unsportsmanlike conduct may be subject to dismissal from the show grounds.
15. Junior Department exhibitors are urged to go home each evening. Exhibitors remaining on the fairgrounds must be chaperoned by a parent or guardian 21 or older.
16. Junior Department exhibitors remaining on the grounds overnight must be in their sleeping quarters by 11 p.m. No exhibitors may be in the barns after 11 p.m. No clipping of animals after 11 p.m.

JUNIOR DEPT - SWINE

Rules & Regulations (In addition to General Rules & Regulations)

1. Competition is open to enrolled Schoharie County 4-H members, or FFA, or agricultural education student enrolled in a Schoharie County elementary, middle or high school during the previous school year. Youth participants must be at least 8 years of age by January 1st of current club year and not have reached their 19th birthday prior to January. Animals must be fitted and shown by the exhibitor.
2. All animals entered must have either registration papers showing ownership (registered animals), or a statement of ownership (for non-registered animals only), or a certificate of non-ownership. Animals need not be owned by the exhibitor. Youth already owning an animal of a particular species cannot exhibit a non-owned animal of that species. A non-ownership certificate must be supplied by June 1 of the current year. Youth are limited to showing two non-owned animals. All entries must have been cared for by the exhibitor continually since June 1 of the current year. Any animal disqualified for participation in the Fair should be removed by the end of the same day.
3. Feed, bedding and care must be furnished by the exhibitor.
4. The Swine Show will take place on **Thursday, August 13th** starting at 5 p.m. in the Show Barn. The first class will be Swine Showmanship.
5. Entries in market classes may not be entered in breeding classes and vice versa.
6. Junior exhibitors wishing to make entries in the open class Swine Show may do so by following the regular open class entry procedures.
7. Entries must meet the same health requirements as for open class swine.

SWINE FITTING & SHOWMANSHIP

- Each exhibitor must participate in fitting and showmanship and enter the appropriate class on their entry form.
- To be judged as follows:
 - 40% Fitting - indicating the pre-show preparation - feeding and condition of animal for purpose being raised, cleanliness, foot care, training, etc.
 - 40% Showing Animal in Ring - demonstrated ability to use show equipment properly, control and present animal appropriately to judge.
 - 20% Showman - personal appearance including neatness and cleanliness of exhibitor and clean, neat clothing suited for the occasion.

Youth must be present at the time of judging. Each member is expected to be responsible for the showing **and care** of his or her own animal. Exceptions can be made under such circumstances or conditions as the agriculture educator may determine necessary. Up to two entries per class will be allowed. If an exhibitor has two entries in a class, the second entry must be shown by another youth who is also exhibiting in the show. Adult assistance is permitted on a case by case basis with the approval of the Cooperative Extension Representative

Ribbons will be awarded as follows:

General Rules & Regulations for Livestock & Poultry (Excluding Horses)

1. Competition is open to enrolled Schoharie County 4-H members, or FFA, or agricultural education student enrolled in a Schoharie County elementary, middle or high school during the previous school year. Youth must be at least 8 years old to exhibit in premium classes. Youth who are between 5 and 8 years old, may exhibit for participation only in classes designated as CLOVERBUD classes.
2. All exhibits in this department will be governed under the same general rules and regulations that apply to other departments.
3. Entries should be postmarked by July 7th, unless specified otherwise. The address and payee is Cobleskill Agricultural Society, PO Box 249, Cobleskill NY 12043. No fee is required to enter except for the purchase of entrance tickets.
4. No Late entries will be accepted.
5. Exhibitors 18 and under must purchase a \$5 Youth weekly exhibitor ticket. The \$5 Youth Exhibitor ticket will be issued to the exhibitor upon placement of their entry. Otherwise, exhibitors and contestants must abide by regular admission regulations - see general rules.
6. No passes will be mailed. All passes will be distributed by the Department Superintendents upon delivery of items for judging.
7. Submission of an entry implies the exhibitor has read and agrees to the Fair's General Rules and Regulations and the Department's Rules and Regulations plus all the Animal/Poultry Health Rules & Regulations.
8. Youth must be present at the time of judging. Each member is expected to be responsible for the showing and care of his or her own animal. Exceptions can be made under such circumstances or conditions as the agriculture educator may determine necessary. Up to two entries per class will be allowed. If an exhibitor has two entries in a class, the second entry must be shown by another youth who is also exhibiting in the show. Adult assistance is permitted on a case by case basis with the approval of the Cooperative Extension representative.
9. The awarding of ribbons and premiums shall be at the judge's discretion. The Danish system of awards will be used except where noted for Department 23.
10. Animals/poultry cannot be put into housing until approved by Vet. Proper certificates and tags required. Drop off times are Sunday & Monday, August 9th & 10th from 9 am to 1 pm for all animals. All stalls, pens or cages must be labeled with contact person's name and best phone number.
11. All livestock exhibits will be released 7 p.m. on Sunday, August 16th and must be off the grounds before noon Monday, unless specified differently. Due to the release time and other activities on the grounds, extra measures have been taken to insure that safety and traffic patterns are not impacted in any negative way. Exhibits leaving before the permitted time will forfeit their premium money.
12. **Footwear:** Exhibitors are not permitted to wear flip flops in the animal barns. Sneakers or barn boots are strongly suggested.
13. Cloverbud Classes: Youth between the ages of 5 and 8 as of January 1 are considered Cloverbuds. Cloverbud aged youth may only enter designated Cloverbud classes for prizes and ribbons only. Cloverbuds may not enter premium classes.
14. It is expected that all Junior Department exhibitors will act in an appropriate manner. Any member of this department found conducting themselves in an improper manner or who violates any of the rules as set forth will forfeit any guarantee and premiums due and may be dismissed from the fairgrounds with exhibits. In addition, any parent displaying unsportsmanlike conduct may be subject to dismissal from the show grounds.
15. Junior Department exhibitors are urged to go home each evening. Exhibitors remaining on the fairgrounds must be chaperoned by a parent or guardian 21 or older.
16. Junior Department exhibitors remaining on the grounds overnight must be in their sleeping quarters by 11 p.m. No exhibitors may be in the barns after 11 p.m. No clipping of animals after 11 p.m.

JUNIOR DEPT - RABBIT

Rules & Regulations (In addition to General Rules & Regulations)

- All rabbits shown in breed classes must have been owned and cared for by exhibitor since June 1 of the current year.
- No rabbit under twelve weeks of age may be exhibited (unless in pen class).
- Each exhibitor may have two entries per class. Specify breed and age of rabbit on entry form. No more than 15 total rabbits can be entered per exhibitor.
- All rabbits must be labeled as to owner, address, breed and class number.
- Tattoos in the left ear will be required.
- The superintendent is authorized to exclude all exhibits showing a diseased condition, long toenails, and sore hocks.
- **Please provide your own feed and water dishes. Exhibitors will be responsible for the feeding, watering and care of their animals.**
- The Rabbit Show will take place on **Tuesday August 13th, at 1 p.m.** Rabbit exhibitors must attend the judging of their rabbit exhibits and will, at the direction of the judge, present their individual rabbit exhibits to the judge for evaluation and determination of award.
- Purebred breeds of rabbits are judged according to ARBA standards; grade rabbits are judged on conformation, grooming, and cleanliness. Purebred rabbits with disqualifications will not receive ribbons or premiums.

Rosettes will be awarded to the Best in Breed, Grand Champion, and Champion Showman.

Show Officials will determine the minimum number of entries required in order to award Best in Show.

RABBIT SHOWMANSHIP

- Each Exhibitor must participate in showmanship and must enter the appropriate class on their entry form. Youth not owning a rabbit are allowed to enter a showmanship class using a non-owned rabbit that is exhibited by another youth at the fair.
- Each entrant will be asked to present their rabbit according to the Rabbit Showmanship guide available at the Cooperative Extension Office. All youth should have a copy of this guide to use when practicing. There is a set format to follow in rabbit showmanship.
- The judge will select a Master Showman. Exhibitors who were selected as Master Showman the previous year may choose to enter or not enter to compete for the Master Showman award at the current year's fair.
- Showmanship begins with the senior class on Tuesday at 1 p.m. Rabbit classes will follow showmanship.

024	001	0000 1	Cloverbud Showmanship: Exhibition only, no premium. Open to youth between 5-8 year old. Must be enrolled in a 4-H or FFA rabbit project and must have owned or leased their project animal as of June 1. Each youth must be supervised by an adult while in the show ring.	RIBBON

General Rules & Regulations for Livestock & Poultry (Excluding Horses)

1. Competition is open to enrolled Schoharie County 4-H members, or FFA, or agricultural education student enrolled in a Schoharie County elementary, middle or high school during the previous school year. Youth must be at least 8 years old to exhibit in premium classes. Youth who are between 5 and 8 years old, may exhibit for participation only in classes designated as CLOVERBUD classes.
2. All exhibits in this department will be governed under the same general rules and regulations that apply to other departments.
3. Entries should be postmarked by July 7th, unless specified otherwise. The address and payee is Cobleskill Agricultural Society, PO Box 249, Cobleskill NY 12043. No fee is required to enter except for the purchase of entrance tickets.
4. No Late entries will be accepted.
5. Exhibitors 18 and under must purchase a \$5 Youth weekly exhibitor ticket. The \$5 Youth Exhibitor ticket will be issued to the exhibitor upon placement of their entry. Otherwise, exhibitors and contestants must abide by regular admission regulations - see general rules.
6. No passes will be mailed. All passes will be distributed by the Department Superintendents upon delivery of items for judging.
7. Submission of an entry implies the exhibitor has read and agrees to the Fair's General Rules and Regulations and the Department's Rules and Regulations plus all the Animal/Poultry Health Rules & Regulations.
8. Youth must be present at the time of judging. Each member is expected to be responsible for the showing and care of his or her own animal. Exceptions can be made under such circumstances or conditions as the agriculture educator may determine necessary. Up to two entries per class will be allowed. If an exhibitor has two entries in a class, the second entry must be shown by another youth who is also exhibiting in the show. Adult assistance is permitted on a case by case basis with the approval of the Cooperative Extension representative.
9. The awarding of ribbons and premiums shall be at the judge's discretion. The Danish system of awards will be used except where noted for Department 25.
10. Animals/poultry cannot be put into housing until approved by Vet. Proper certificates and tags required. Drop off times are Sunday & Monday, August 9th & 10th from 9 am to 1 pm for all animals. All stalls, pens or cages must be labeled with contact person's name and best phone number.
11. All livestock exhibits will be released 7 p.m. on Sunday, August 16th and must be off the grounds before noon Monday, unless specified differently. Due to the release time and other activities on the grounds, extra measures have been taken to ensure that safety and traffic patterns are not impacted in any negative way. Exhibits leaving before the permitted time will forfeit their premium money.
12. **Footwear:** Exhibitors are not permitted to wear flip flops in the animal barns. Sneakers or barn boots are strongly suggested.
13. Cloverbud Classes: Youth between the ages of 5 and 8 as of January 1 are considered Cloverbuds. Cloverbud aged youth may only enter designated Cloverbud classes for prizes and ribbons only. Cloverbuds may not enter premium classes.
14. It is expected that all Junior Department exhibitors will act in an appropriate manner. Any member of this department found conducting themselves in an improper manner or who violates any of the rules as set forth will forfeit any guarantee and premiums due and may be dismissed from the fairgrounds with exhibits. In addition, any parent displaying unsportsmanlike conduct may be subject to dismissal from the show grounds.
15. Junior Department exhibitors are urged to go home each evening. Exhibitors remaining on the fairgrounds must be chaperoned by a parent or guardian 21 or older.
16. Junior Department exhibitors remaining on the grounds overnight must be in their sleeping quarters by 11 p.m. No exhibitors may be in the barns after 11 p.m. No clipping of animals after 11 p.m.

The Dog Show will take place on Saturday, August 15th at 9 am in the Party Tent Theater. Dogs will be allowed entrance to the Fairgrounds starting at 8 a.m.

- Dogs are not permitted in any of the commercial or midway areas of the Fair. Dogs may be walked between the Livestock Barns and the backtrack area near the horse stalls.
- Dogs may not be tied or left unattended inside a car or truck. Dogs may be kept in a crate or camper prior to the show.
- Dogs must be vaccinated against rabies and proof of vaccination must be available prior to the show. It is recommended that dogs also have current vaccinations against distemper, hepatitis, leptospirosis, and parvovirus.
- Females who are in heat are not allowed to be exhibited and should not be brought to the Fair.
- All dogs must be a least six months of age.
- Classes and scoring will follow the NYS 4-H Dog Show rules, unless otherwise indicated. Generally classes will follow AKC rules and scoring.
- Exhibitors (youth/dog team) who have been awarded a blue ribbon in the previous year's Fair MUST advance to the next level.
- Appropriate Dress: Clothing must be neat, clean and properly fitting with no rips or tears. No cut-off shorts, midrift, spaghetti straps or tank tops. Shoes must be closed toed. No sandals or flip flops will be permitted.
- No bait or food is allowed in the ring.
- Exhibitors may only enter one class.
- A champion ribbon and premium will be given to the highest scoring dog in each obedience class, provided that a qualifying score is obtained.
- Please no prongs, shocks, choke collars, retractable leashes or other adverse equipment.
- Fair exhibitor must attend and pass pre-fair evaluation.

Rules & Regulations For Non-Livestock Exhibits

1. Competition is open to enrolled Schoharie County 4-H members, or any home economics or agricultural education student enrolled in a Schoharie County elementary, middle or high school during the previous school year. Youth must be at least 8 years old to exhibit in premium classes. Youth who are between 5 and 8 years old, may exhibit for participation only in classes designated as CLOVERBUD classes.
2. All exhibits in this department will be governed under the same general rules and regulations that apply to other departments.
3. Entries should be received by July 7th, unless specified otherwise. The address and payee is Cobleskill Agricultural Society, PO Box 249, Cobleskill NY 12043.
4. No late entries will be accepted.
5. Exhibitors 18 and under may purchase a \$5 Youth Exhibitor ticket. This \$5 Youth Exhibitor ticket may be used for admission throughout the duration of the fair. The \$5 Youth Exhibitor ticket will be issued to the exhibitor upon placement of their entry. Otherwise, exhibitors and contestants must abide by regular admission regulations - see general rules. Each exhibitor is allowed only one pass – not to be combined with other entry forms. It is the exhibitor responsibility to pick up their purchased exhibitor ticket at the time they place their entry. No replacement tickets will be provided if the exhibitor fails to pick up their ticket at the time the entry is dropped off.
6. No passes will be mailed. All passes will be distributed by the Department Superintendents upon delivery of items for judging.
7. Submission of an entry implies the exhibitor has read and agrees to the Fair's General Rules and Regulations and the Department's Rules and Regulations.
8. **Footwear:** Exhibitors are not permitted to wear flip flops in the animal barns. Sneakers or barn boots are strongly suggested.
9. Non-animal exhibits will be judged on **Saturday, August 8th** between 1:00 and 4 p.m. in Progressland. Youth must present their exhibit to a judge and be available to answer questions related to their exhibit. Any youth department exhibitor who is unable to be present at judging may have someone else bring their exhibits to judging provided an exhibitor's statement card has been filled out for each entry. Cards are available at the Cooperative Extension 4-H office prior to judging. No exhibits for which the youth is not present will be judged for a premium without the exhibitor's statement card.
10. Cloverbud Classes: Youth between the ages of 5 and 8 as of January 1 are considered Cloverbuds. Cloverbud aged youth may only enter designated Cloverbud classes for prizes and ribbons only. Cloverbuds may not enter premium classes.
11. The Danish system of awards will be used except where noted.
12. All Junior Department non animal exhibits must be collected from Progressland between 9 a.m. and 4 p.m. on the Monday after the fair unless other arrangements have been made. Anything left becomes the property of the fair.
13. It is expected that all Junior Department exhibitors will act in an appropriate manner. Any member of this department found conducting themselves in an improper manner or who violates any of the rules as set forth will forfeit any guarantee and premiums due and may be dismissed from the fairgrounds with exhibits. In addition, any parent displaying unsportsmanlike conduct may be subject to dismissal from the show grounds.
14. Junior Department exhibitors are urged to go home each evening. Exhibitors remaining on the Fairgrounds must be chaperoned by a parent or guardian 21 or older.
15. Junior Department exhibitors remaining on the grounds overnight must be in their sleeping quarters by 11 p.m. No exhibitors may be in the barns after 11 p.m. No clipping of animals after 11 p.m.

Achievement/Record Book/Officer Book

The book is a collection of items assembled to demonstrate involvement in projects and activities during the current 4-H year. Evaluators will be looking for an attractive cover and title page, a table of contents and/or the use of section dividers, and content that reflects involvement in 4-H experiences such as leadership experiences, marketing/public relations, exhibits, projects, community service, presentations, and other activities completed in the current 4-H year. All items such as certificates, and pictures displayed in the book should be labeled to reflect what experiences they relate to. The book must contain a story that summarizes the accomplishment and skills learned throughout the current year in 4-H. 4-H Officer Book is NOT judged.

Scrap Book

The Scrap Book reflects the use of creative scrapbooking techniques to tell about events and/or activities. The theme may be 4-H or non 4-H in nature. The Scrap Book must have been completed in the current 4-H year. Exhibits will be evaluated on overall appearance and creativity and the appropriate use of scrapbooking techniques to tell a story. If the scrapbook reflects the activities of the 4-H Club, the work must be completed solely by one 4-H youth member and not be a group/club effort. Club scrapbooks may be entered in the open class category.

Press Releases or Editorials

Entries submitted need to demonstrate the 4-H youth member's ability to share information with the various media outlets for the purpose of informing the public about their achievements and accomplishments during the current 4-H year. If the press release was printed in the local newspaper, please include a copy of the published release, indicating date of release and title of publication.

4-H Portfolio

Annual 4-H Member Portfolio and Annual Cloverbud Member Portfolio Annual 4-H Member Portfolio is an organized summary of a member's 4-H experience on a yearly basis. It must be submitted to the 4-H office by October 1 of each year in order to receive the yearend completion award. The Annual 4-H Member Portfolio can be submitted as a fair entry.

Creative Writing

Creative writing will be evaluated on content, standard punctuation and grammar, rhyme (if applicable), use of expressions, actions, dialogue and overall "tone" of the written piece. How the piece is presented and neatness and creativity of the presentation will also be considered in the evaluation. There is a limit of six one sided pages, however if a piece is longer, the exhibitor can enter a synopsis along with the total piece. The synopsis can be no more than the six-page limit. Recorded oral presentations of the work can also be submitted with the written work.

- ✓ E1) Fiction—Writing can be presented in any form of genre such as a story, letter, poem or script for stage or screen.
- ✓ E2) Non-Fiction—In this form of creative writing the author uses self-exploratory writing that draws on personal experiences. The format could be an autobiography, personal story, letter, poem or script for stage or screen that is based on true-life experiences for the author.

Exhibiting 4-H projects provides opportunities for youth recognition as well as learning experiences. Exhibits also provide a venue from which the public can gain a sense of the breadth and depth of 4-H project activities.

**SECTION DA
FOOD AND NUTRITION**

General Guidelines and Preparing the Entry:

- ✓ All baked entries must have been baked from scratch by the exhibitor. No ready-made refrigerated or frozen dough, pastry crust or box mixes are permitted.
- ✓ The recipe may not include alcohol (this does not include vanilla which is a standard ingredient in recipes) as one of the ingredients.
- ✓ No exhibits requiring refrigeration (cream or custard-based pies, cakes, cream cheese) are allowed.
- ✓ Our goal is to encourage the mastery of skills. Fewer ingredients generally mean a simpler recipe. The more experienced 4-H member is encouraged to exhibit a more difficult recipe. Exhibitors are also encouraged to not exhibit in the same class year after year. Again, this is to demonstrate mastering of new skills.
- ✓ Please do your best to demonstrate good nutritional choices in your recipe.
- ✓ Remove all items from baking pans (except pies) and exhibit on paper plates or foil-wrapped cardboard. The exhibit must be covered with plastic resealable baggies –no plastic wrap. Do not bake muffins or cupcakes in paper liners.
- ✓ Include recipe card (product name, ingredients, preparation steps, yield, recipe source) with all baked entries. Indicate how the recipe was modified to make it healthier.
- ✓ An exhibit is: 3 samples of small items (cookies, muffins, cupcakes, rolls, breadsticks, pretzels or similar products); ½ of large item (loaf bread, cake, coffee cake or similar products); or whole item if needed to convey appearance of product (pie, turtle-shaped bread or similar products).
- ✓ A recipe can be only entered in one class in the Food and Nutrition section.
- ✓ Complete exhibitor entry card for each exhibit entered, indicating new skills mastered and nutritional choices made.

PRESERVED FOODS

Any processed food, including dried, foods and maple syrup will be evaluated based on appearance and process used. Because of food safety concerns, the entry will not be tasted or opened.

CANNED FOODS

Criteria for Exhibiting Home Canned Foods

- ✓ Remember: use only United States Department of Agriculture (USDA) tested and approved recipes. The USDA has researched, tested and approved recipes for home canning. In order to obtain a safe, quality product use only up-to-date (1994 or later) USDA approved recipes. Approved recipe sources include:
 - National Center for Home Food Preservation at <http://www.uga.edu/nchfp/>
 - So Easy to Preserve, University of Georgia
 - Your local Cornell Cooperative Extension Office
 - Ball Blue Book
- ✓ Canned exhibit consists of one clear-glass Standard Mason jar processed with a self-sealing, two piece lid. (metal lid and metal ring). Rings should have been removed after processing and cooling in order to clean and store the canned good. Rings should be put back on for transport to fair, but removed by exhibitor before judging.
- ✓ Top of jars must be labeled with the product and date processed. Do not put labels on the sides of the jars (this makes it difficult for judges to view the product).
- ✓ Attach a separate card securely to the exhibit and include:
 - Recipe
 - Recipe Source (Site Ball Blue Book or other USDA source –not family member)

The card should include the following information if not already included in the recipe:

- Contents
- Type of pack (hot or raw)
- Type of processing (boiling water bath or pressure canner)
- Processing time
- Altitude adjustment if required
- Headspace
- Date of processing
- ✓ Appropriate head space requirements must be followed. In general –
- ✓ Fruit Juices ¼ inch; Vegetables ½ inch; Jams and Jellies 1/8 – ¼ inch; Pickles ½ inch; Tomatoes ½ inch or according to USDA approved recipes.
- ✓ Jars must be free of cracks, chips, etc.
- ✓ Each exhibit must be vacuum sealed.
- ✓ The following entries will be disqualified:
 - Foods processed and packages not following current (1994 and later) USDA recommendations
 - Paraffin sealed jams and jellies
 - Jars with zinc lids
 - Foods in green jars or non-standardized jars
 - Jars with more than 2" headspace
 - Jars with added color, bleach, sulfite or other preservatives, unless called for in a USDA approved recipe. (For example, baking soda may not be added to green vegetables)
 - Jars or food that were made and processed over one year ago.

**SECTION DB
FINE ARTS & FINE CRAFTS**

General Guidelines:

- Entries limited to one of a kind items designed by the exhibitor.
- Hobby Crafts and Crafts made from commercially available kits/patterns should be exhibited in Home Environment.
- Art Objects must be in good condition, ready for display.
- Small, delicate, fragile items should be displayed securely in a display box.
- Objects whose ultimate use is to hang on the wall must have mountings on them and be ready for hanging.
- Fine arts and crafts entries made using recycled materials will be evaluated on entry's artistic value. Note: items made from recycled materials may be evaluated in Environmental Education Section G –Class No. 6 if youth would benefit more from its evaluation being based on the re-use of material. Please include where the recycled materials came from on Entry Card.
- Entry in Fine Arts and Craft is to be made entirely by the exhibitor, not a collaborative effort with a commercial business. This includes selection of materials and entire construction process. Ex. Ceramics should not be from pre-made molds that are just painted. Exhibits meeting that criteria should be entered in the Hobby Craft Section.

GENERAL INFORMATION FOR HORTICULTURE EXHIBITS

- Exhibitor must fully complete at least one green Entry Card including questions for at least one project in each division.
- If entering more than one exhibit in a division, you must complete a green Entry Card. You may exhibit one entry per class except where noted.
- Participants are encouraged to work together as groups to create exhibits.
- Individual exhibits are also acceptable.
- Evaluators will consider number of participants so that group projects will be evaluated appropriately.
- Age, experience and standards listed in related 4-H publications, as well as content and quality, will be considered in evaluating criteria.
- Project resource materials listed are for suggestions only. Use your imagination for other ideas. For more information and ideas, check the website: <http://www.hort.cornell.edu/4hplants>.
- Endangered species are not allowed in any exhibit.
- Under Floral Design –Classes 25, 26 and 27 may use purchased or wild flowers.

			<u>PLANT COLLECTIONS</u>			
			Developing a plant collection will help youth to learn to recognize and identify different plant species.			
			A. Preserved			
			<ul style="list-style-type: none"> • Plants must be pressed, dry, mounted and labeled. To press plant material, it is best to use the method described in: Pressed Flower Pictures (1982), 141-IB-34, find at http://dspace.library.cornell.edu/handle/1813/3267, or as described by a person who has experience collecting plant material. • A clear protective overlay is helpful for many, but not all exhibits. • Weeds and other specimens mounted green (not pressed or dry) will not be evaluated. • Collections of plants may be on one side of ONE PIECE of poster board or like material, 22 x 28 inches in size, or in notebook binders with single specimens on pages 8 1/2 x 11 inches. • Scrapbooks of accumulating years should have dividers between years. Current year's exhibit should be clearly marked. Current year exhibit will be judged. • List sources used to identify plants and plant materials. • Plants Identified by Common and Scientific Name.

EXPERIMENTS

The intent of this division is to generate an interest among young people in a science-based approach to horticulture. Guidelines and suggestions for the exhibitor working with plants:

Both how you plan your experiment and the final description for your display should include the following sections:

- **Background.** Describe why you did this experiment and why it is important to you and other people?
- **The Question (or hypothesis).** What specific question does your experiment try to answer? For example: "Does watering geraniums with coffee increase their growth?"
- **Methods.** Outline how you did the experiment. Be sure to include:
 - a) **Treatments.** Describe specifically what you are comparing as treatments. Remember that you should have a check treatment (what is usually done) and the 'test' treatment. From the above question: Check = watering with water, and treatment = watering with coffee.
 - b) **Measurements.** Describe what you are measuring (weight, height, etc.) and why. Include observations of the plants over the course of the experiment.
- **Results.**
 - a) What did your measurements tell you about the treatment compared to the check? Was there a difference and if so, why do you think so? Use tables, graphs or pictures to

			share what you learned. b) What other things did you notice in your observations?			
			<ul style="list-style-type: none"> • Conclusions. What did you learn? What is important about your results to other people? What would you suggest to someone else, based on what you learned? 			
			<p>THE DISPLAY should be interesting, attractive and neat, so that people will want to stop and learn about what you did. It should:</p> <ul style="list-style-type: none"> • include actual examples of treated and untreated plants, if possible, otherwise use drawings or photographs. • On sheets of paper, describe your study using the above 5 sections. • Use big print so that it is easy to read from 3 feet away. • Glue these sheets, along with any photos or graphs to heavy poster paper (14" x 22" minimum) for display. GARDEN ENTRIES

This division offers an opportunity to display a garden item and gives participants an occasion to show the products of their gardening efforts.

- Exhibits that require it, must be grown by the exhibitors in their individual, family, school or community gardens, unless otherwise noted.
- Individual may display 5 entries in any one class, except where the number of entries is stated differently. Each exhibit must be of a distinctly different variety type.
- Exhibits and awards will be evaluated based on standards below.
- Exhibit must be labeled with correct common name and variety name (i.e., snap beans, Blue Lake; or petunia, Red Picotee). Otherwise, awards will be downgraded.
- For further information on preparing and exhibiting vegetables go to <http://www.hort.cornell.edu/gbl/pubs/index.html>
Scroll down to Vegetable Fare

-Excellent-clean; only very minor defects in general appearance; best market size and quality; true to varietal characteristics. For exhibits with more than one specimen: not more than 10 percent variation in sizes for fruits and vegetables and cut flowers; only slightly detectable variation, uniform in shape, color and degree of maturity.

-Good-clean; slight defects in general appearance; defective and unusable parts should not exceed 5 percent; good market size and quality. Exhibits with more than one specimen: not more than 25 percent variation in sizes for fruits and vegetables, and cut flowers; only slightly detectable variation in shape, color and degree of maturity.

-Worthy-fairly clean; some defects in general appearance; defective and unusable parts should not exceed 10 percent; fair market size and quality. Exhibits with more than one specimen—not more than 100 percent variation in sizes for fruits and vegetables and cut flowers; noticeable variation in shape, color or degree of maturity.

-No Award-dirty, serious damage apparent; defective and unusable parts exceed 10 percent; unsatisfactory market size or quality. Exhibits with more than one specimen — more than 100 percent variation in sizes for fruits and vegetables; extreme differences in shape, color or degree of maturity.

			<u>HORTICULTURAL METHODS</u>			
			This division gives young people a chance to an interesting, different approach to growing plants. This enhances gardening skills and encourages the participant to think creatively.			
			<ul style="list-style-type: none"> • Because of the difficulty of reproducing some of the horticultural methods for exhibiting purposes, a poster or poster series format may be used. • Use heavy poster paper (14" x 22" minimum) as a background. • Glue or tape photos and diagrams, along with sheets of white paper that include your description within these sections: 1) introduction, 2) growing method used, 3) what you learned or discovered. • Instead of a poster, an exhibit of the method itself (such as a small hydroponics set-up) can be displayed. • For ideas and information consult the State Fair Website-competitions-youth building. • http://blogs.cce.cornell.edu/ccebroome4h/files/2010/03/BCF-4-H-Youth-Building-Exhibit-Book-2012.pdf

SECTION G ENVIRONMENTAL EDUCATION

All exhibits in Section G must include, in addition to the completed green Entry Card, a project story (essay) on a separate sheet of paper, detailing: why you found your project interesting, its relevance to natural resources and/or environmental education, information and lessons you learned, and how the project might be used to help others learn about or appreciate the natural world.

- The length and detail of the essay should be appropriate for the exhibitor's age and level of familiarity with the project area. Critical, reflective thought is encouraged. Some projects directly relate to environmental education (e.g., they can be used to teach others about important environmental phenomena), other projects relate indirectly to environmental education by helping the exhibitor, through production of the exhibit, to learn for himself/herself a meaningful lesson about the environment. These lessons can then change the way the exhibitor views and interacts with the natural world. Whether through direct or indirect connection to environmental education, the exhibitor must explain in his/her essay how the project helped him/her to think and act differently to the natural world and/or communicate differently with others about the natural world.
- For example, if the exhibit is a bluebird box, the essay may include an explanation of: why you chose the project, what made it interesting, what about the box makes it a good home for bluebirds, observations/plans you have to learn about bluebird behavior, why should people use bluebird boxes, how this project relates to the environment or natural resources, and what you learned while doing the project. You might also include how the project will be used to help others learn about or appreciate bluebirds and the habitat in which they live. If the project story does not accompany the exhibit, the exhibit will not receive a maximum score.
- Exhibits showing processes, products, skill development, and relevance to environmental/natural resource issues are strongly encouraged. Overly simplistic or non-interpretive exhibits will receive less recognition.
- Exhibits will be evaluated on the basis of their content, quality of expression and presentation. Creativity is encouraged as is display of materials showing observational skills, e.g. journals or sketchbooks. Age, experience and standards listed in appropriate 4-H publications will be included in the judging criteria.
- 4-H Publications mentioned below are available through Cornell Cooperative Extension in the Department of Natural Resources, phone: (607) 254-6556; e-mail: cce-nat-res@cornell.edu.

Please remember in addition to the completed green Entry Card, all exhibits are required to include a project essay/narrative on a separate piece of paper (see all exhibits in Section G are required above).

Many materials can be reused; why is this exhibit particularly useful (e.g., in terms of serving a functional purpose) or beneficial (e.g., making use of resources that would otherwise harm the environment)? The exhibitor must reflect, in his/her essay, on how the project has led his/her thinking about use of natural resources to evolve and/or how the project can be used to help others understand the importance of re-purposing post-consumer materials. Creativity is highly encouraged in this class. CONSTRUCTION PROJECTS WITH MANUFACTURED COMPONENTS

General Information:

Youth entering projects in the following classes use manufactured construction pieces to complete projects. Examples are Lego*, K'nex*, Brio* and Mechano*, but projects are not limited to these examples. Projects can incorporate design, following instructions, three dimensional thinking, design modifications, problem solving, creativity, architecture, structural design, principles of mechanics and use of color in the planning and design process. These skills relate to the professions of engineering, science, construction, architecture and art.

Evaluation will be based on completion, complexity, presentation and explanation of design, understanding of principles and visual presentations. Must include following:

- Number of pieces: Youth must know the approximate number of pieces used in assembly. For kits, this number is on the box. It is understood that after a long creative process, it may be difficult to know exact number of small pieces; the youth must provide an estimate rounded to 25.
- Diagrams: diagrams are required. A diagram could be a photograph printed on printer paper, a scale drawing on graph paper, a photocopy of an instruction sheet or a variable scale rough drawing. Relevant labels and explanations must be added. The diagram must include: 1. Name of youth; 2. the title of the project; 3. The exact or approximate number of pieces and a self-judgment of complexity level (a. easy, less than one hour to assemble; b. Medium, 1 –3 hours construction time; or c. Complex, more than 3 hours of construction time). Juniors may use a photocopy of kit provided drawings for the basis of their diagrams, but brand logo MUST be covered and not visible. The diagram can be displayed in a plastic stand, mounted on poster board or attached in a folder. Art value, ability of written work to attract, use of color and use of font add to design presentation.
- Protection: Youth may prepare a display box for the project. There is no evaluation or points for this box; it is merely protection. A simple box could be a cardboard box with two sides removed and replaced with clear plastic.

026	JC	00003	Kit: This category is restricted to juniors (ages 8 –13). Juniors are limited to two projects in this class. If two projects are entered, they must differ significantly (for example –a creature, a building or a vehicle). Youth must enter a completed kit. Original story must describe design process and describing play with the model. Judging criteria includes: completion, complexity (number of pieces), diagram (of the completed model and key elements labeled), explanation/story (explanation of the design process, difficulties and interesting elements; describe plan value, imaginative play, what steps could be taken to improve model) and overall presentation.	3.00	2.00	1.00

026	JC	00004	<p>Original Model: Youth are limited to two projects in this class, projects must differ significantly. The project can be a scene, diorama, model, building, vehicle, plants or creature. Judging criteria includes: completion, design (number of pieces, moving parts –gear systems, axle systems (wheels), hidden entrances, pulleys, joints, projectiles and hinged components; unity of design –originality, use of color, symmetry of creativity, fully developed concept diagrams –comprehensive and detailed: an overall diagram of the completed model with key elements labeled, of moving part(s) or independent component; explanation/story/written report –of design process, difficulties encountered and their solutions, description of play value, future expansion of project and overall presentation.</p>	3.00	2.00	1.00
026	JC	00005	<p>Model Demonstrating a Mechanical Science Concept: Projects must be original, no kits and can include level arms, gears, pulleys, friction, belts, airfoils (flight, wind), catapults and load bearing bridges and beams. Science concepts can include energy transfer, stress analysis, Newton's laws, gravity, etc. Entries in this class must include a working model, an equation describing a principle of science, a labeled diagram of the project and written explanation of the science involved. Evaluation will also include presentation and visual impact of the project. Youth may conduct experiments with model and provide results in written report. Judging criteria includes: working model that demonstrates a principle of mechanical science, must move or work as necessary; scientific equation that relates the principle, including clear definition of each term with equation displayed; labeled diagram provided that labels major parts of the model and also notes how parts or movement relates to equation; written report (no more than two pages) which explains the principle and how model illustrates the principle (may include additional page of experimental results using the model); written explanation that explains design and construction of the model, including any difficulties and how they were overcome, description of the principle of mechanical science that is demonstrated, clear understanding of scientific principles and explanation of how the model illustrates principle; and overall visual impact of project as prepared for display, including attractiveness of display.</p>	3.00	2.00	1.00
026	JC	00006	<p>Transportation Design: applies transportation pieces such as Brio* in which youth design a transportation system (road, railroad). Drawings are to be hand drawn. Judging criteria: presentation labeled with name of exhibitor and title of project to include schematic of system drawn to scale, roads, railroads and bridges clearly labeled or identified in the legend, seniors to use 11 x 17 drawing paper, must have fully developed concept, clear details, completeness of system (no dead ends) and show creativity; legend that explains the meaning of symbols such as roads, railroad, bridge, water, vegetation, buildings; written explanation that explains the design and the purpose of the system, problems encountered and their solution and directions project could take in the future; and overall presentation, visual impact as prepared for display and attractiveness.</p>	3.00	2.00	1.00

			<u>3D PRINTING</u>			
			General Information: 3D printing uses plastic or other materials to build a 3 dimensional object from a digital design. You may use original designs or someone else's they have re-designed in a unique way. Youth must bring their finished object (we cannot print objects at the Fair). Exhibits will be judged based on the complexity of the design and shape. Must include the following:			
			<ul style="list-style-type: none"> • Software used to create 3D design. • Design or, if using a redesign, the original design and the youth's design with changes. • Orientation that the object was printed. 			
026	JC	00007	3D Prototypes – 3D objects printed as part of the design process for robot or other engineering project. Must include statement of what design question the prototype was supposed to answer and what was learned from the prototype.	3.00	2.00	1.00

SECTION JE RENEWABLE & SUSTAINABLE ENERGY AND CLIMATE CHANGE

Educational exhibits/display(s) describing your 4-H project work done in the areas of: Renewable Energy (solar, wind, geothermal, bio fuels, hydro-electric) Energy Conservation (home, community or school) Tracking (or studying) Climate Change; Activities/Studies related to managing "Carbon Footprints" in the environment. Exhibits may consist of stationary or working models, posters, photo story/display or electronic media. Electronic media must be submitted on a storage device like a CD or flash drive. Information must be included on media to indicate method of viewing the entry. A short description of what was undertaken in the project, your experience and what you learned through the project must be included. This can be included in the entry itself or on the exhibitor's information card. Note: some energy exhibits may also fit in other classes. Please select only one class to enter your exhibit.

DEPARTMENT 28 EGG EXHIBITS – JUNIOR DEPT: 4-H, FFA and FCCLA Exhibits

Director in Charge: Lois Goblet

Superintendent: Catherine Roberts – 518-234-4303 Ext 113

- Exhibitors should drop off egg exhibits on **Sunday, August 9rd** between 1 and 4 p.m. in Progressland.
- Eggs will be judged by **Tuesday, August 11th**, and will be displayed with 4-H exhibits in Progressland.
- Eggs will be judged according to USDA Grade A standards. Eggs should be free of dirt and stains, have a typical egg shape with a shell thick enough to withstand a reasonable amount of handling. No cracks or weak areas. Eggs should be grouped in cartons according to size and color. Each exhibit will be judged by exterior quality including uniformity of size and color as well as interior quality.
