2022 4-H YNOE Wildlife Art and Story Contests

As part of the Mammals All Around Us Program (see page 9), the Youth in Nature & Outdoor Education Program Work Team is introducing a virtual mammal art contest *and* a short story contest. The contests will be open to youth with several age categories and participants can be from anywhere within New York State. The contest begins December 1, 2021 and runs until February 8, 2022.

Mailed submissions must be postmarked by February 5, 2022. Emails must arrive by midnight on February 8th

All **Art** entries must be submitted to John Bowe, Warren County 4-H, at jfb32@cornell.edu as a jpeg or PDF file, OR mailed to :

CCE of Warren County, Attn: John Bowe, 377 Schroon River Road ,Warrensburg, NY 12885.

All **Story** entries must be submitted to Matt Helffrich, Ulster County 4-H, at mdh268@cornell.edu as a Word document or PDF file or in the body of your email, OR you can mail a copy to:

CCE of Ulster County, Attn: Matt Helffrich, 232 Plaza Rd, Kingston NY 12401

General Rules for both contests:

By submitting an entry or entries to this contest, you are giving Cornell Cooperative Extension's YNOE Program Work Team permission to use your image or story on our Facebook, website, blogs, and in any public displays we can arrange for the entries.

Each participant is limited to one entry. You may complete several and select your best one to enter. Each participant may enter one story and one art piece.

You must sign and date your entry (cursive is NOT required).

We encourage you to use New York native mammal species but will accept any WILD species, birds, amphibians, reptiles, insects, mollusks, etc... (no domestic birds).

There will be three age categories: Cloverbud Youth ages 5-7, Youth 8-12, and Youth 13-19.

The judging will be done by a group of volunteers (youth and adults) selected by Cornell Cooperative Extension.

Art Specific Guidelines:

The work can be no larger than 8.5" x 11".

This must be an original piece started and completed within the contest entry dates and deadline dates.

You may use any style you choose (e.g., watercolor, pen & ink, pencil, oils, acrylic, etc.) that can be rendered on the specified paper dimensions.

Specific Story Guidelines:

Your story must be original and describe an encounter or observation you had where a mammal or mammals played a central role.

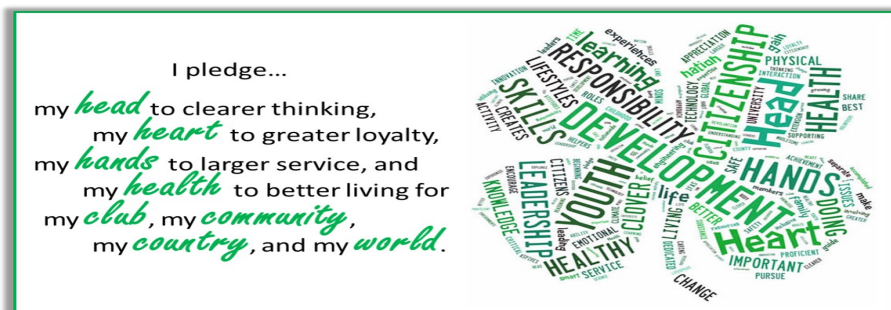

500-word limit

Prizes:

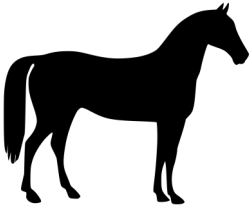

Cloverbud (5-7) youth will each receive a Participant ribbon and no overall winner will be selected.

Youth 8-12 or 13-19, the top recipient will receive a \$10 gift to the 4-H Mall.

YNOE PWT looks forward to seeing what is submitted. Get outside and sketch or paint or write!

DAIRY QUIZ BOWL

2022 District Event - March 19 – Chenango County

4-H Dairy Quiz Bowl is a “quiz bowl” competition where all questions deal with dairy topics. Teams of four members compete with each other in giving oral answers to questions posed by a moderator. Teams receive points for correct answers and may lose points for incorrect answers. The team with the highest final score is the winner.

The contest is organized on a double elimination basis with winning teams advancing into further rounds until a champion team emerges.

Competition in the 4-H Dairy Quiz Bowl encourages a 4-H member to develop a more complete knowledge of dairy animals and related subjects. This contest provides an educational dairy program for all dairy project members, including those who may not own a dairy project animal, and provides a way to develop alertness and self-confidence.

Beginner Division - youth ages 8 to 10 years as of January 1st. It is not appropriate for Cloverbud members to participate in the contest. Beginner Level is replacing Novice Level.

Junior Team - youth ages at least 9 and less than 14-years old as of January 1.

Senior Team - youth must be at least 14-years old as of January 1 and not pass 19 by January 1 of current year.

Earn-An-Animal

APPLICATION DEADLINE

February 1, 2022

The Program

The 4-H Earn-an-Animal program allows for Otsego County youth ages 8-18 (as of January 1, 2022) to earn funding towards a project animal to raise and show as their own. This program requires dedication from the youth member and support from their guardians. Youth accepted to the program will not only learn how to care for their animal, they will experience the process of researching, selecting and purchasing an animal. Through the 4-H Earn-an-Animal Project, 4-H youth will further develop their planning, time management, organization, and record keeping skills.
